

## Pakistani Jetliner Disaster Kills 120

### Cairo Wreck Fifth Worst In Air History

CAIRO (AP)—A Pakistani jetliner inaugurating Karachi-to-London service crashed in desolate desert sands near Cairo Airport today, killed 120 of the 126 persons aboard.

It was the fifth worst air crash in aviation history.

Airline officials said one or more Americans perished in the flaming crash. Identification was not immediately available.

The airline said that of the 115 passengers, 93 were listed as Pakistanis, 12 Chinese and 10 other foreigners, whose nationalities were listed as U.S., Canadian, Lebanese and Egyptian.

The American-built jetliner's 11 crewmen died in the crash.

All six survivors were Pakistanis. Two were employees of the Pakistan International Airline and another was a Pakistani tourist official. Three of the men were reported in critical condition.

#### Fire Reported

The flight was scheduled to pick up 52 additional passengers, all guests of the airline, at Cairo for the remainder of the flight to Geneva and London.

Capt. Akhtar Ali Khan, pilot of the four engine jet, reported engine trouble and a fire in the landing gear minutes before the crash.

The plane, a Boeing 720B, was inaugurating the airline's new Karachi to London route. Among the passengers were 62 newsmen, airline officials and other invited guests. The same plane had made three preinaugural flights over the route.

The big jet ploughed into a sand hill in a heavy ground fog as it prepared to make its final approach to the Cairo Airport. It crashed at 2:50 a.m. A West German airliner first sighted the wreckage, and Egyptian air force helicopters landed at the wreckage at dawn to pick up the six survivors.

#### Baboons Survive

Nearly impassable terrain delayed the arrival of other rescuers until six hours after the crash.

"There were no more survivors except for two baboons still alive beneath the wreckage," one person at the scene reported.

"It all happened so fast I didn't know what was going on," said one of the survivors, Galal Alkarami, an employee of the airline.

"One minute I was sitting inside the plane with a safety belt fastened around my waist. The next thing I remember was hearing an explosion. When I

## Santo Domingo Junta Demands Rebel Surrender

SANTO DOMINGO, Dominican Republic (AP)—The Dominican junta claimed "absolute control" of the country Wednesday night and called for unconditional surrender of the rebels.

"We have absolute control of the Dominican Republic," the junta president, Brig. Gen. Antonio Imbert Barrera, told a rally of about 1,000 cheering middle- and upper-class followers inside the U.S.-occupied international zone of Santo Domingo.

"We don't want a truce. Out with communism," the crowd shouted.

Imbert spoke from a balcony at his headquarters in the Congressional Palace shortly after junta troops overran the rebel radio station and rebel resistance in northern Santo Domingo collapsed.

Imbert told an interviewer he would not consider any compromise with the rebel force of Col.

Francisco Caamano Deno. He said his five-man junta would only discuss unconditional surrender of the insurgents, whose main force is holed up in downtown Santo Domingo inside the U.S.-controlled areas.

Caamano has also refused to meet with Imbert, contending that any compromise with the junta would violate rebel demands for a return to the 1963 constitution.

#### Battle Nears End

However, a spokesman for the U.N. peace mission said both the junta and the rebels have agreed in principle to a 12-hour cease-fire Friday to let the Red Cross remove dead and wounded from the fighting zone. The spokesman added that detailed agreements with each side still must be worked out.

Shooting tapered off Wednesday night, but there apparently were rebel holdouts in the northern area. Imbert told a newsman the battle would be over by the weekend.

Asked if his forces would try to storm the rebel stronghold downtown, the junta chief said, "That's next week's problem."

A junta spokesman said 800 rebel prisoners had been taken in the battle in the northern suburbs.

Hospitals reported 30 dead in the fighting, but some estimates placed the total at more than 100 including civilians.

## Detroit Bank Robbed By Taxi

DETROIT (AP)—A bandit robbed a Detroit bank by taxi Wednesday.

A taxi driver, according to the FBI, unwittingly drove the robber to the bank, waited for his return and then drove him away. The robber paid his cab fare, alighted only a block away and disappeared.

The loot was estimated at \$600, handed over after a teller was handed a note demanding money by a man whose right hand was wrapped in a sweater as if holding a gun.

The bank was a branch of the Detroit Bank and Trust Co. The FBI described the robber as a Negro 30 to 35 years of age.

## Yvonne Dionne Leaves Convent

MONTREAL (AP)—One of the four surviving Dionne quintuplets, Yvonne, is living temporarily with a married sister, Annette, after leaving a convent at Moncton, N.B.

Germaine Allard, Annette's husband, said Wednesday Yvonne had been at the convent for 2½ years but did not take her final vows. He said she was to have taken them next year.

## Money Remains No. 1 Problem In Legislature

LANSING (AP)—The chief question in the House today is money—how to spend it, where to get it, and how much.

The House was scheduled to come to grips today with two of the most complex and controversial issues facing it this year or any year: the coming year's budget and fiscal reform.

Scheduled for debate today were spending bills for general government, public safety, and defense, social welfare, regulatory agencies, conservation, recreation and agriculture.

The budget bills, as reported out of the House Ways and Means Committee an hour before the deadline Friday, would increase Gov. George Romney's recommended budget by a modest \$5.9 million.

#### School Aid Hottest

The hottest question is the \$544 million school aid bill.

"We will work out our differences with Senate Democrats before bringing the school aid bill up for final consideration and a vote," said Rep. J. Bob Traxler, D-Bay City, majority floor leader.

The House bill would increase school aid by \$112 million. The Senate bill would raise the level by \$50 million—less than \$30 million over Romney's recommendation.

Rep. Roy Spencer, R-Attica, sponsor of a series of fiscal reform bills which include an income tax, said he would move to take the bills off the table today.

The new revenue probably would be needed if the school aid bill were passed as is. It would eat up the surplus expected in the state treasury by June 30.

#### Tax Bill Avoided

The Senate has approved its share of the budget bills and remained close to Romney's proposals in so doing.

The House Wednesday dodged decisions on a property tax bill and amendment that admittedly would force local revenues by \$200 million. The bill was originally intended to limit property tax assessments to 50 per cent of true cash value, complying with a constitutional requirement.

The measure was moved to the foot of the giant House calendar, a virtual death blow because of time limitations.

# Gen. McDonald Fired, Neifert Reinstated

## Swift Approval Of Federal Tax Cuts Indicated

WASHINGTON (AP)—The House Ways and Means Committee has taken a long step beyond President Johnson's request and voted to repeal entirely the excise tax on passenger automobiles over the next four years.

The four major auto companies promptly announced they would pass any tax cuts on to buyers, which would mean an eventual price reduction on an average car of about \$230. The present excise tax on cars is 10 per cent, and Johnson asked that it be cut to 5 per cent.

Tuesday's Ways and Means Committee action — if upheld by Congress — would bring the eventual revenue reduction to nearly \$5 billion, \$900 million more than Johnson had recommended in a special message to Congress Monday. The cut in the first year would be about the \$1.75 billion urged by the President.

Swift congressional approval of excise tax cuts seems assured.

The House probably will vote on the measure the week of May

31, if leaders carry out present plans.

In the Senate, Chairman Harry F. Byrd, D-Va., said the Finance Committee hopes to take up the bill right after the House acts and will hear only one witness — Secretary of the Treasury Henry H. Fowler. Sen. Byrd said all potential witnesses favor the cuts.

The unusual speed is designed in large part to head off any slump in buying the many goods on which taxes would be eliminated July 1.

Following Johnson's recommendation, the House committee provided procedures by which people who bought autos or air conditioners before July 1 could get refunds.

In addition to these two items, a long list of goods, taxed for the most part at 10 per cent, would become tax free July 1 if the legislation is enacted by then.

They include jewelry, furs, toilet preparations, luggage and handbags.

Taxes at the manufacturer's level would be lifted from television, radio and phonographic sets, cameras, musical instruments, sporting goods except for fishing equipment, refrigerators, freezers, air conditioners, power lawnmowers and electric, gas and oil appliances.

Brig. Gen. Neifert

Maj. Gen. McDonald

## Guard Officers Found Guilty By Romney

LANSING (AP)—Gov. George Romney fired Maj. Gen. Ronald McDonald, but reinstated Brig. Gen. Carson Neifert today, although finding both guilty of gross neglect of duty.

Romney removed McDonald as state adjutant general.

Neifert, who was quartermaster general under McDonald, was given a seven-month suspension. But Romney said the suspension would be retroactive to last November and Neifert would be reinstated as of June 8.

McDonald and his attorney, Thomas McAllister, declined specific comment, but said they would have a statement later.

#### No Profit Made

Romney gave McDonald 10 days to choose between accepting the rank of colonel and reassignment in the Michigan Guard or losing his federal status altogether.

Neifert attempted to shake hands with McDonald after Romney announced his decision, but did not succeed.

Neifert said perhaps McDonald did not see him.

Romney read a half-hour statement reviewing testimony from his 93-hour hearing for the two.

The governor emphasized "No one stands here charged with any criminal action."

He added: "I find nothing that would indicate either profited personally from these activities."

Romney said, however, the conclusion was inescapable that McDonald and Neifert were guilty of gross neglect of duty and misfeasance. He added Malfeasance for McDonald.

#### Land Deals Involved

The charges, stemming from an auditor general's investigation, involved land transactions at Camp Grayling and use of local armory funds to buy items for the camp and Lansing headquarters.

In the case of the land transactions, Romney said McDonald acted in spite of an attorney general's opinion that the deals were illegal.

The governor said McDonald failed to bring the opinion to the attention of the State Military Board, which approved the deals. He added that neither general presented the deals accurately to the board.

Romney fired both McDonald and Neifert last Oct. 8, but on advice of Atty. Gen. Frank Kelley reinstated them last Nov. 6. They then were suspended without pay by Maj. Gen. Cecil Simmons, National Guard commander.

#### Procedure Stopped

McAllister previously indicated he would appeal Romney's decision if it were unfavorable. Neifert's attorney, Russell Noble, on the other hand, said he would consider Romney's ruling final.

McDonald, in his 10½ hours on the stand, said he felt attorney general's actions in 1958 had meant approval for some questioned land deals. As for the armory spending, he said the state military establishment should be considered all a common front.

Neifert, who spent 2½ hours on the stand, said after he became familiar with the office of quartermaster general, he stopped some of the procedures in question because he felt they were irregular.

Romney accepted a stipulation, signed by both sides, that a substantial number of items in the charges did not apply to Neifert because they occurred before he was quartermaster general or while he was away at military school.

Neifert said he was away at military school.

## Petoskey Stone May Be Official Michigan Rock

LANSING (AP)—If you wanted to throw something at a robin (the official state bird) sitting in a white pine (the official state tree) you could use an official state stone—the Petoskey stone—under terms of a bill on its way to the Senate today.

A bill introduced by Rep. Eugene Cifer, D-Ludington, and passed, 79-19, by the House Wednesday would make the Petoskey stone official.

# McDonald To Step Down As Steelworkers Head

UNITED STEELWORKERS President David J. McDonald (right) greets I. W. Abel at a union executive board meeting in Pittsburgh where McDonald conceded the disputed steelworkers election to Abel. (AP Wirephoto)

PITTSBURGH (AP)—David J. McDonald will step down as president of the United Steelworkers Union next month without the fight he promised.

McDonald announced Wednesday that he was withdrawing his protests to the union's Feb. 9 election in which he was narrowly defeated by Secretary-Treasurer I. W. Abel.

Although associates said he still believes he won, McDonald told newsmen he was bowing out to avoid a lengthy legal wrangle that could weaken the union in its current contract talks with basic steel.

The negotiations, now facing a possible Sept. 1 strike date, were twice interrupted by the bitter Abel-McDonald struggle. McDonald, 62, who once toiled for 22 cents an hour in mills where steelworkers now make more than \$3.60 an hour, guided his union to some of its best

contracts and through its long-

est strike—116 days in 1959.

During his 12-year reign he negotiated the first comprehensive profit-sharing plan and won extended 13-week vacations for senior workers in the aluminum, then the can and steel industries.

## British Queen May Send Son To German School

LONDON (AP)—A London newspaper says Queen Elizabeth II reportedly is thinking of sending her eldest son, Prince Charles, 16-year-old heir to the throne, to school in Germany.

The London Daily Sketch said today the queen is expected to decide after she returns from her state visit to Germany.

One of his abiding interests was the problems of older workers and those who had retired. It was an interest that came from seeing an illness kill his father who was still at work in the mills at 72.

McDonald was one of the first labor leaders to win pension increases for workers long retired. His own pension, when he steps out June 1, will be \$25,000 a year. As president he was paid \$50,000.

Abel praised McDonald Wednesday at their joint news conference.

"Under your leadership we have made outstanding progress. I want you to know that these contributions are not only appreciated today but will be down through the years."

But despite their handshake and the absence of their former bitterness, there were indications that the old order already was changing.

## State Salutes Fred Bear And Archery Plant

GRAYLING (AP)—Michigan Week's Livelihood Day focused attention Wednesday on Fred Bear whose archery equipment firm here is among leaders in its field.

A one-time Detroit auto plant employee, Bear turned his hobby into commercial enterprise and moved to a Grayling plant in 1947. His company now is the city's largest industrial employer with 220 workers.

His contributions were saluted Wednesday in formal ceremonies observing "Fred Bear Appreciation Day."

# Leaflets Warn N. Viet Nam To Halt Aggression

SAIGON, Viet Nam (AP)—More than 100 U.S. warplanes attacked a North Vietnamese naval base and other targets today in a series of strikes punctuated by a propaganda leaflet raid only 55 miles south of Hanoi. All planes were reported to have returned safely.

A U.S. spokesman announced 70 Navy planes, striking in two waves from the carriers Midway and Coral Sea, inflicted heavy damage on the navy base at Phouc Loi, 165 miles south of Hanoi, with 100 tons of explosives.

The attack was carried out during a thunderstorm. The spokesman said U.S. Air Force planes, acting as distributing agents for the Saigon information ministry, flew within 55 miles of Hanoi and dropped a half million leaflets warning the Communists to halt aggression in South Viet Nam or "bear more disastrous consequences."

He said this was the closest approach yet made to the North Vietnamese capital.

On the ground, the Viet Cong fired a short mortar barrage into a U.S. Marine patrol 15 miles southwest of Da Nang, killing one Marine and wounding two others.

The dual mission capped a day of almost continuous air strikes against the Communist North on the third day of renewed raids.

Earlier strikes were reported against the Phu Qui petroleum complex, 125 miles south of Hanoi, and against a convoy of 15 trucks. Phu Qui was also attacked when the raids were resumed Tuesday.

The spokesman said four U.S. Navy Skyhawks from the carrier Coral Sea destroyed four railroad cars and probably damaged bridges on a road between Thanh Hoa and Vinh, 128 miles south of Hanoi.

A federal mediator met with representatives of both sides in an attempt to settle the dispute over a new contract to replace one that expired April 4.

Members of Teamsters Local 361 set up picket lines at the plants. Milk deliveries continued to institutions, and emergency distribution centers were to go into operation today so that shut-ins can get milk.

The Senate and House coincidentally approved separate bills on the same day but are expected to take the technical steps necessary to produce one bill.

## Milk Deliveries Are Cut Off By Strike In Toledo

TOLEDO, Ohio (AP)—Milk deliveries in northwestern Ohio and southern Michigan were cut off Wednesday when 500 dairy drivers and warehousemen struck Toledo's six major dairies.

A federal mediator met with representatives of both sides in an attempt to settle the dispute over a new contract to replace one that expired April 4.

Members of Teamsters Local 361 set up picket lines at the plants. Milk deliveries continued to institutions, and emergency distribution centers were to go into operation today so that shut-ins can get milk.

## Today's Chuckle

Love is when she sinks in his arms and winds up with her arms in a sink.

## Local Airport Rating Down, Says Arntzen

The rating of facilities at the Escanaba municipal airport is "not good" and the airport is "gradually slipping behind" other U. P. communities, Walter "Wally" Arntzen, a man among executive flyers in the region told the Delta County Historical Society Wednesday night.

Arntzen's comments regarding the facilities at the Escanaba airport were made at the conclusion of his entertaining and informative report on the history of aviation in this area. The Historical Society met in the Chamber of Commerce building.

"Facilities at the Marquette airport are 10 times as good as they are in Escanaba," Arntzen said. "At Iron Mountain they are five times better than they are here."

"When you consider the terrific impact of commercial and executive type flying on the economy of a community and area, good airports are a good investment."

**Need Decisions**  
"We have an opportunity to do something here about the condition of our airport, but if we do nothing, then we should not shed any tears in the future," Arntzen said.

"The county doesn't want the airport and the city wants to unload it. The time has come when decisions will have to be made. If the city has to go it alone, perhaps the county will do more to support it."

Arntzen, Escanaba architect, is recognized as an authority in the field of aviation. He has served on local and regional aviation and airport committees and his company uses a plane in its operations.

The son of the late Gothard Arntzen, who founded the architectural firm in Escanaba, Walter began flying about 40 years ago when he was 20 years old. He joined the Army Cadets and learned to fly at a school in Texas—good training that served him well in the years ahead.

**Stalled At 40**  
Returning to Escanaba he bought a War World I surplus blue and silver Jenny for \$1,250 (with \$250 down) and became the area's flying pioneer. Landings were made on beaches, in farmer's fields, and later at a little airport at Wells. Arntzen's often amusing account of early-day flying incidents involved a number of persons, some of whom were his flying students. Others were

competitors in the business.

It was an era of risks and stunts, wing walkers and entertainers, and of thrills for the daring who paid to take a ride in a flying machine. The planes were limited in capability. Crack-ups were frequent.

"The Jenny did more to stimulate private and commercial flying than any other type," said Arntzen. But it cruised at 60 miles an hour and stalled at 40, used four gallons of gasoline per mile, and it has its "own special way of going into a spin," Arntzen found out about the spin and piled the Jenny up on her nose in Oconto.

**Some Were Killed**  
The Jenny had a wing spread of 43 feet. She was a biplane and this doubled the wing spread to the point where it was "as much wing area as a modern bomber," Arntzen said. She could do loops and split "S" turns but did not have enough power for more "sophisticated" maneuvers.

"Back in 1926 my father wanted to fly with me and so I took him over to Newberry, where he was building the new High School," Arntzen recalled. "We saw a field with some flags on it and landed there. All at once cars drove up from all around and my Dad was whisked off downtown. We found out later they were expecting the arrival of Gov. Green."

Through the early years there was lots of flying, lots of fun—and occasional tragedy. "I believe I survived because I had good training and a good share of luck," Wally told the Historical Society. "These were the men who made sacrifices in aviation. They were eager and anxious. It had to be done. Each man contributed a lot to the safety that is in flying today."

Charles Folio, Historical Society president, conducted the meeting. The speaker was introduced by Clint Dunathan. Frank Bender Jr. gave a report on arrangements for opening the Historical Museum on Friday.

## Driver Training Starts In June

**STEPHENSON**—A summer session driver training class will be offered to the Stephenson High School students who have enrolled in the sophomore class for the school year of 1965-66. The class will begin Tuesday, June 1, and end Saturday, June 12. Instruction will be held in the forenoon from 9 to 12. About 70 students are expected to enroll. Students are required to have at least 30 clock hours of class room instruction and six hours of behind-the-wheel instruction to be eligible for a certificate of achievement. William Johnson will be in charge of the instruction program. The training automobile is furnished without cost by the Freis Chevrolet.

## State Police Transfer Men

**LANSING**—Transfer of 70 Michigan State Police troopers, including six from Posts at Gladstone, Stephenson and Manistique, was announced today by Commissioner Joseph A. Childs.

The moves will be effective June 13.

Childs said the transfers are made to provide broader working experience for officers, to balance personnel at posts where strength had been reduced by previous transfers, promotion or retirement and the granting of several requests for transfer.

Troopers Robert D. Duell and David R. Keeler will leave the Gladstone Post and be replaced by Troopers Howard J. Haulotte, Stephenson, and Arnold R. Johnson, Battle Creek. Duell will be reassigned to the Paw Paw post and Keeler will go to Grand Haven.

Trooper John O. VanDeusen also will leave Stephenson, moving to Rockford. New member of the Stephenson Post will be James J. Zbacnick from the Flat Rock post.

Troopers Dale A. DeCoe and Robert E. Pollman have been transferred from the Manistique Post, DeCoe to Battle Creek and Pollman to Traverse City. Trooper Norman F. Meader has been assigned to Manistique from the Grand Haven post.

## Jurors Selected For June 7 Term Of Circuit Court

The list of prospective jurors drawn for the June 7, term of Delta County Circuit Court was announced today.

Included from Escanaba are: Marcella Beauchamp, Howard Rasmussen, Evelyn Quarnstrom, Wayne Haddock, Phyllis Villemur, Joy Fleetwood, Genevieve Harris, George Erdman, Rose Sudac and August C. Gafner.

Gladstone residents drawn were: Joseph J. Waeghe, James F. Nelson, Lois Hart, Rene LaFleur, Vera M. Kallerson, Gary Soderman, Mark Lou Kukanic, and Mary Stock.

From townships the following were selected: Baldwin—Madia Reese, Joseph Cartwright; Bark River—Sara Pearson, Berthel E. Palmgren; Bay de Noc—Helen D. Sigfrids; Brampton—Albert Matt Majestic, Eleanor Brock; Cornell—Gilbert Taylor, Gertrude Cooper; Ensign—Roscoe Pratt, Arthur Holmgren; Escanaba—John Solis; Fairbanks—Mildred Farley; Ford River—Douglas Meunier; Garden—Margaret Coppess; Maple Ridge—Anna Kamminen; Wells—Carl Dubovsky.

## Sportsmen Will Hear Perras

**STEPHENSON**—Clifford Perras of Nadeau, former Michigan Representative to the State Legislature, will speak to the Mid-County Sportsmen's Club at a regular meeting today at 8 p. m. at Menominee County Library building at Stephenson. Items of business to be discussed include progress on the improvement of the rifle range, reaction of congressman to proposed changes in gun laws, and wildlife management proposals by the Michigan Department of Conservation for this area.

## Cornell Lions Club Observes Anniversary

**CORNELL**—The 18th anniversary of the Cornell Lions Club was observed at a dinner meeting Tuesday evening at which high school graduates from Escanaba, Gwinn and Perkins, were honored.

They included Tom Anderson, Helen Knaus, Carl Wick, John Falkies, Robert Lauscher, Gary Carlson, Sandy Hale, Carolyn Meyers, Terry Harrison, Harry Nelson, Linda Ahti, Steve Rose and Robert Buckland.

Floral centerpieces, "wise old owls" carrying diplomas and graduate dolls were table decorations.

The Rev. and Mrs. Robert Selberg were guests of the Lions and the pastor addressed the graduates.

The family style meal was served by Mrs. King of Carrolls Corners.

Entertainment was furnished by four girls of the Perkins School who sang two numbers. They, as well as the graduates, were presented with gifts. Clayton Ford was presented with a gift from Helen Knaus and Tom Anderson for his 13 years as bus driver for the pair.

Frank Falkies, King Lion, presided at the affair.

## New Car Buyers To Get Refunds

**DETROIT (AP)**—All four auto manufacturers assured new car buyers today they would be given refunds covering any reductions in car excise taxes.

General Motors, Chrysler, Ford and the American Motors all pledged refunds. The auto makers' moves were intended to remove any hesitancy on the part of potential buyers who might hold up on new car purchases until Congress approves the tax cut.

President Johnson proposed last Saturday that the 10 per cent auto excise tax should be cut to 7 per cent, retroactive to last Saturday.

The auto firms sent letters to their dealers for relay to the public. The letters assure refund of any tax reduction retroactive to persons buying cars on and after last Saturday.

## Andrews Resigns; Will Teach At Wrightstown

**POWERS**—John Andrews, for the past six years Junior High math and science teacher here, has accepted a similar teaching assignment at Wrightstown Community Schools, Wrightstown, Wis.

Andrews, son of Mrs. Sophie Andrews, of Hermansville, is a graduate of Northern Michigan University at Marquette. He recently was elected president of the Menominee County M. E. A. This summer he will serve as a guide to sports fishermen at Red Lake, Ont.

Andrews returned Sunday from Battle Creek where he attended a three day conference of M. E. A. district and county presidents.

## Cities Exchange Financial Lead

April business in Upper Peninsula cities, as indicated by bank debits (mostly checks against depositors' accounts) followed its familiar pattern in top brackets, with Marquette first with \$21.2 million and Escanaba second with \$15.7 million, but then brought forth some changes.

Sault Ste. Marie slipped from its familiar third position to fourth, reporting debits of \$12.8 million compared with \$12.9 million for Iron Mountain, which was in third place, a position it is claiming increasingly as its own.

Sault Ste. Marie showed an increase of 6 per cent over April 1964, and so did Iron Mountain.

## Briefly Told

An immunization clinic sponsored by the Delta-Menominee District Health Dept. will be held from 2 to 4 p. m. Friday at the Delta County Building.

Barbershop singers will meet this evening at 6:59 at Bishop Noa Home. After a short concert the group will gather at Carpenter's Hall for regular rehearsal. Striped shirts and dark trousers is the uniform for the concert. Lunch will be served after rehearsal to which all male singers are invited.

State Police of the Gladstone Post ticketed Robert Kallman, Cornell, defective equipment; Donald Aldrich, Manistique, defective equipment; John Monnowczak, Bark River, defective equipment; Bernadine Roberts, Mounted Rte., Escanaba, no valid registration on truck; Thomas Pach, Rte. 2, Bark River, expired operator's license.

Mrs. George Beaudry, 724 Montana Ave., Gladstone, attended the funeral of her brother, Oscar Westman, 60, who died unexpectedly at his home on Bay Shore Drive in L'Anse last Friday.

# Escanaba Troubles Expand . . . Weather Bureau, Coast Survey To Be Merged

Congressman Raymond Clevenger (D-Sault Ste. Marie) announces that Escanaba's long effort for re-establishment of the weather station here — closed by the Weather Bureau after nearly a century of operation — has encountered a new problem.

President Johnson has recommended to Congress the reorganization of the Weather Bureau and the Coast and Geodetic Survey by combining the two into a new Environmental Science Services Administration. The new agency would be in the Department of Commerce and the secretary of Commerce would transfer the Central Radio Propagation Laboratory of the National Bu-

# Weed Quits Top Anaconda Post

ANACONDA, Mont. (AP) — Clyde E. Weed, says he will step down May 27 from his \$204,660-a-year post as chairman of the board of Anaconda Co., but will continue as a director of the major world copper operation.

In announcing his retirement as board chairman Wednesday, Weed said, "I will continue as a director and will assist the officers in any way that I can."

Weed was graduated from Michigan College of Mining and Technology in 1911. After working as a miner and mine superintendent in Michigan, he became a shift foreman in 1921 for Inspiration Consolidated Copper Co. at Inspiration, Ariz.

Weed became Anaconda's vice president in charge of mining operations in 1942, a company director in 1949 and vice president in charge of all operations in 1952. He became president in 1956 and chairman of the board in 1958.

# Obituary

**ERNEST FOURNIER**

Complete funeral services for Ernest Fournier, who died May 17 at St. Francis Hospital, will be held Friday at 1:30 p. m. at the Anderson Funeral Home Chapel. The Rev. Dr. Walfred Nelson of Bethany Lutheran Church will officiate. Burial will be in Lakeview Cemetery.

Friends may call at the funeral home from 6 to 9:30 p. m. today.

Mr. Fournier's survivors, in addition to his daughter, Mrs. Warren Gustafson, are a brother, Roy, Scottsdale, Ariz., and a sister, Mrs. John (May) Wilson of Portland, Ore.

Larry is president of his class, treasurer of the Student Council, treasurer in his freshman year, and has participated in basketball and track.

# Museum Has Open House

The Delta County Historical Museum will have open house on Friday afternoon to mark Heritage Day of Michigan Week and welcome the public to the Museum for the 1965 season.

Mrs. Charles Norton is the Museum director. The Museum will open at 1 p.m. on Friday and is expected to close about 5 p.m. Through the Spring the Museum will be open daily from 2 to 5 p.m., with evening hours planned for the Summer season.

One of the features of the Heritage Day opening will be a display dedicated to the late Webster L. Marble, Gladstone inventor and industrialist.

The display is being arranged through the courtesy of William Marble, Gladstone, son of the founder of the Marble Arms Co.

Frank Bender Jr., Soo Hill, chairman of the Historical Society's museum committee, said at the Society meeting Wednesday night that remodeling, redecorating and rearrangement of materials in the Museum has been completed.

# Rock Planning Clean-Up Week

ROCK—Supervisor John Norman, announced that next week, May 24 to 28 will be clean-up week in Rock. Everyone is urged to clean up and put the garbage and trash so it can be picked up by the Rock Boy Scouts after 6 p. m. Friday, May 28. Supervisor Norman also reminds Maple Ridge Township residents that permits are required by anyone wishing to build a new building or add on to an old one. Permits may be obtained from Norman.

# Summer Plans Are Outlined

Paul Vardigan, city recreation director, outlined plans for the summer program at a meeting of the City Recreation Board Wednesday night.

The department sponsors and supervises activities in baseball, softball, tennis, swimming and craft programs during the summer months.

Baseball programs include Babe Ruth, Little League and Recreation League. The recreation department assists in men's and women's softball and slowpitch.

Vardigan reported that basketball standards will be erected this summer for the first time at Ludington Park and the Dock diamond area in north Escanaba.

A new slowpitch field is being prepared at the Holy Name High School area, to be used by the Escanaba league along with the Dock diamond. Ludington Park will not be used for the program when the new field is ready.

The summer program will swing into action when schools close for the summer vacation in June.

The concession at the city bathing beach was awarded to St. Anne's CYO, the same organization that operated it last summer.

# In Service

**Marine Lance Corporal Thomas C. Lafave**, son of Mr. and Mrs. George H. Lafave of 415 S. 9th St., recently participated in a regimental firing exercise while serving with the 3rd Battalion, 11th Marine Regiment, 1st Marine Division based at Camp Pendleton, Calif. His battalion took part in a simulated crisis at the Marine Corps artillery range at Twentynine Palms, Calif., which was designed to sharpen their skills as the artillery supporting arm of the 1st Division.

**Fireman Keith M. Gluesing**, USCG, son of Mr. and Mrs. W. Gluesing of 2333 Lake Shore Dr., recently returned to Kodiak, Alaska, while serving as a crewmember of the U. S. Coast Guard Cutter Citrus. His ship completed a two-week voyage down the Alaskan Peninsula, servicing water marker buoys, shore lights and various other aids to navigation.

**Seaman Michael J. Giroux**, USN, son of Mr. and Mrs. John Giroux, 319 S. 19th St., participated in formal change-of-command ceremonies May 3, while serving aboard the anti-submarine warfare support aircraft carrier USS Intrepid at Brooklyn, N. Y. The Intrepid is undergoing a six-month overhaul at the New York Naval Shipyard at Brooklyn. Upon completion of the overhaul, the Intrepid will return as anti-submarine warfare element of the U. S. Atlantic Fleet.

**Vicious Varmint**

The Wolverine, a large member of the weasel family resembling a small bear, is so vicious that it is hunted by no other animal except man, according to the Encyclopaedia Britannica.

**HENRY GUROSH**, son of Mr. and Mrs. Edward Gurosh of Rte. 1, Wilson, has been selected as a delegate to Boys' State in Lansing in June and Cheryl Peltier, daughter of Mr. and Mrs. Lionel Peltier of Harris, has been chosen to go to Girls' State in Ann Arbor. They are being sponsored by the Rheume-Knauf American Legion Post and Auxiliary. Henry, a junior at Bark River-Harris High School, has been treasurer of his class this year, participated in basketball and track and was selected last year as alternate to the Citizenship Seminar sponsored by the Menominee County Farm Bureau last year. Miss Peltier, also a junior at Bark River-Harris High, has been vice-president of her class, secretary of the class and secretary of the Student Council, cheerleader, is in the 4H Chorus, and in 1964 was the Menominee County Farm Bureau's delegate to the Citizenship Seminar at Camp Kett.

# 'Joe Steel,' 102, Now Identified After 58 Years

**EASTMANVILLE (AP)** — After spending the last 58 years without an identity of 102-year-old man in this small community about 15 miles west of Grand Rapids has been identified.

On Feb. 25, 1907 the man, who has been known as "Joe Steel" was found wandering in sub-zero weather near Grand Rapids. He had no memory and was considered "feeble-minded." He was taken to the Ottawa County Infirmary.

The Holland Sentinel published a story recently on the "man without an identity." Two Michigan relatives saw the paper and identified "Joe Steel" as Monroe Rutty.

Rutty recalled several instances from his youth, a nickname given to him when he was a small boy and the names

of a pair of oxen owned by his family.

The relatives, Monroe Eaton of Ganges and Mrs. Blanch Wilkinson of Glenn, said they would leave Rutty in the infirmary where he is happy—and will probably be known for the rest of his years as "Little Joe."

# Trucker Killed; Train Derailed

**ALPENA (AP)**—A truck driver was killed when his semi-trailer rig smashed into a Detroit & Mackinaw Railroad freight train, throwing 12 of the 32 cars "end over end" near Alpena Wednesday.

Richard N. Graichen, 26, of Alpena, was the victim.

His truck left a 299-foot skid mark at the U.S. 23 crossing seven miles south of Alpena. The rig "was chewed into pieces," state police Cpl. David Corey said.

Railroad workmen were called to the wreckage-strewn scene to clear and repair the tracks.

Engineer Alexander Novack said he saw Graichen's truck approaching but didn't have time to stop the train which was traveling 30 miles an hour.

The truck collided with the second freight car behind the diesel engine in which Novack

# Fisherman Pays License Fine

James Moore, 48, Rte. 1 Ensign, paid a fine of \$25 and costs of \$7.30 after pleading guilty to a charge of commercial fishing without a license when arraigned Wednesday in Justice Ross Davis' court in Gladstone.

Moore was arrested by Conservation officers Thursday morning on Bay de Noc.

was riding with three other railroad men.

"It's a good thing we cleared the crossing or we'd have all been killed," Novack said.

The crossing was protected by flasher lights, police said. The train whistle was blowing, Novack said.

The collision derailed many of 21 train cars loaded with cement enroute from an Alpena mill to Bay City. Trucks were called to salvage cement that spilled from the wrecked cars.

The semi-trailer was loaded with animal feed.

## Our Many Wars

The reaction of the American public to our intervention in Santo Domingo's revolution, on top of our increased involvement in the war in South Viet Nam seems to be rather calm exceptance of a regrettable but proper action.

The French press pasted us for gunboat diplomacy, the British weren't very hostile. Our own pundits were a mixed bag. Walter Lippmann suggested that we're following a line of intervention that could find us intervening all over the world.

An uprising in the Dominican Republic planned to reinstate Juan Bosch—ousted by a military coup after being elected president—provided an opportunity for organized Communist groups. Our ambassador there had been getting reports of infiltration of guerrillas trained in Cuba and Czechoslovakia. Within 48 hours the Bosch forces seeking a democratic regime were infiltrated by trained Communists.

President Johnson, considering the possibility of a Communist capture of Santo Domingo like that of Cuba and like that we're opposing with gunfire in South Viet Nam, sent in the Marines. He could have let the Dominicans kill each other—and some hundreds of Americans besides—and then dealt with the outcome.

Not having done that he can never fully answer those who say like Lippmann "these disorders are at bottom indigenous to the countries where the social order is broken down, not originally, not essentially, conspiracies engineered from the centers of Communist power."

We are concerned here with results as well as means and if the Commies infiltrate a ready-made revolution they can be as deadly disruptive as though they had initiated the revolt in the first place.

The United States should not judge the propriety of American intervention on the reaction of the Communist critical reflex or the nations that don't admire us, but on our national interest and the interests of the other nations most immediately involved.

Adverse Latin-American opinion was urged as a reason against our intervention, but as diplomat Adolf A. Berle says "Actually, Latin America expects the United States to act and does not respect us much when we fail to do so. Argentina and Brazil promptly approved President Johnson's action. Costa Rica offered 'freedom fighters.' The Council of the Organization of American States sent a peace-mediating commission."

But the U.S. intervention, while imposing a third force on the situation, failed to effect peace, or even an effective OAS cease fire. There was little solid party organization under President Bosch, or since. More than 30 years of Trujillo dictatorship had left no effective political structure. Bosch, an idealistic, honest Latin-American literary figure, had found it difficult to administer a government in which some of his supporters intrigued with the Communists and others with the military.

President Johnson sent former ambassador to Santo Domingo John Bartlow Martin to bring the two forces together, but he said "When the killing started ideas disappeared." The rebel forces of Col. Francisco Caamano used their radio to defy the United States and accuse the Voice of America of "calling us Communists, which we are not."

There were clashes between the forces all week and the Marines often couldn't tell whether it was Caamano men or the forces of the loyalist junta headed by Gen. Antonio Imbert who were sniping at them. The junta was discredited even with many who had sided with Imbert and his U.S. backers. Meanwhile anti-American feeling increased and even more violence appeared likely.

The United Nations voiced alarm and offered to send a team of observers, but the U.S. thought it a problem for the OAS, which is beginning to send troops from various Latin-American countries for a multinational military force to help the U.S. keep order. This is the best solution, but pending the outcome it is difficult to fault President Johnson for not adopting a wait-and-see policy in what seemed to have the makings of another Castro Cuba.

## The Doctor Says:

### Time To Change Jobs?

By Dr. Wayne G. Brandstadt

A few decades ago men watching violence on television 60 or more hours a week and still managed to squeeze a little fun out of life. Now, for most workers a week's work is 40 hours or less. As automation is applied to more and more tasks, a further shrinking of the work week is inevitable.

I am still a little apprehensive that for many persons this trend is fostering an altered attitude toward work. Truly fortunate is the man who has found a worthwhile job to do and who enjoys doing it. If you don't enjoy your work, you are in the wrong line. It is all right to grumble a little now and then but if you really want to quit working, you're sick.

When I see some of our teen-agers wearing large celluloid buttons with the slogan "I HATE WORK" I cringe. I can only hope that they think this is a huge joke and that they do not take this motto seriously. In the words of Thomas Carlyle, "Blessed is he who has found his work; let him ask no other blessedness."

What have our extra leisure hours provided thus far? The answer varies, but in many cases they have made it possible for a man to take a second job so that he can buy a faster car. In the heavily populated areas that are ever expanding this leads to the frustration of traveling bumper to bumper and hub to hub. In other cases the new car has enabled the buyer to shave a few seconds off his race to a collision.

To others increased leisure means more sodden hours

## BARBS

By WALTER C. PARKES

Alimony is the original "have now, pay later" plan.

If there were a dog for every doggy-bag toted home by diners, pooches would outnumber people.

Japan is second only to Switzerland in producing top quality clocks and watches. Times do change.

## Father And Son Tell Of 37-Day Drift On Raft

CLARK AIR BASE, Philippines (AP) — "I was able to observe quite a lot," said a 20-year-old student of marine biology after 37 days adrift on a raft in the Pacific with his father. "It was extremely interesting."

"If it hadn't been for him I wouldn't be alive today," said the father, Frank Cushing, 63. A former stuntman, he lives on Guam with his wife and three of their four children.

His son, Frank Jr., is a student at the University of Guam. The two set out on their 23-foot raft April 10 to look for rare fish.

They anchored for the night outside a reef off Guam's Puto Point and went to sleep. When they awoke, a storm was blowing them westward, their anchor was gone and Guam was out of sight.

On Monday, 37 days later and 1,400 miles to the west of Guam, they landed their raft on Calayan Island, in the north Philippines. A few hours later the crew of the interisland steamer Jumar sighted the raft and found the two men sleeping in a cave.

They were flown to Clark Air Base Hospital Wednesday. Cushing had lost 50 pounds, his son 40, but otherwise their health was good and their spirits buoyant.

"We never lost hope," said Cushing, grinning through nearly six weeks of beard. "We were positive we would hit the Philippines. When I knew we couldn't get back to Guam, I set a course for the Philippines. I knew it would be tough but it was our best course."

"Our top speed was about three knots, but I knew we would get some place sometime. I made a sextant out of a spear gun, a fishing line and some other things."

Gas Supply Saved

"We didn't have a compass but we had the sun. At night we had Polaris (the North Star) and the Southern Cross to navigate by."

The oil-drum raft was equipped with two outboard motors, but the Cushings improvised a sail to conserve their small supply of gas. Also aboard were a can of beans, a can of meat and a two-gallon tin of water.

"We were seasick for the first three days," said the father. "On the third day we got under a rain cloud. It was a heavy rain, and filled our water can. On the same day we caught a dolphin. We ate the raw flesh for moisture and hung the center part and sides out to dry. It was about a 14-pounder."

Frank Jr. said he worried for the first few days about missing school.

"I just took my midterm exams and wondered what my grade was," he added.

Hunted With Speargun

Cushing was hardly able to move much of the voyage, suffering from seasickness and exposure. But Frank Jr. looked after his father and the raft, and provided a steady supply of fish by hunting underwater with a spear gun, a rope around his waist attached to the raft. He also kept up his study of marine life.

"If the sea was calm, I would take the rope off and swim around, examining the oil drums," said the youth. "Sharks didn't bother us—in fact, I bothered them. I caught

a couple, one 3 feet and another 6 feet long."

A second storm during the voyage refilled their water can. Otherwise they had to depend on the moisture they got from fish.

The U.S. Navy searched for them after Mrs. Cushing reported them missing but finally gave up. Cushing said planes passed over them many times.

Recalled 7 Days

"A military plane passed over us on the second day," he said. "I made a smoke pot — with bits of rubber hose and anything that would burn — but the plane never saw us."

Near the end of the voyage they were becalmed for seven days in sight of the distant peaks of the Philippines. They finally landed Sunday on an active volcanic island.

"There was nothing there but dead fish and birds," said Cushing. "My boy found two coconuts. One was rotten."

They shoved off and drifted north along the coast of Luzon. A stiff current carried them toward Calayan, and they used the last of their gasoline — about a gallon and a quarter was left — to enter the cove where they were found.

## Won't Turn Tide

By RAY CROMLEY

WASHINGTON — (NEA) — The United States has put \$150 million aid into the tiny Dominican Republic in the past three and a third years.

That's almost \$50 for every man, woman and child. On a man-for-man basis, it equals pouring \$9 billion into a country the size of the United States.

Just after the Bay of Pigs debacle in Cuba, President Kennedy picked the Dominican Republic as the most likely nation to go the way of Cuba. He personally became intensely, emotionally involved in Dominican aid. There was a feeling among some men that he almost took over the job of the State Department Dominican desk officer.

President Johnson has taken equally great interest. Their object: To make this half island the show place of the Caribbean.

U. S. money financed a great many fine improvements—in agricultural output, rural credit, schools and industrial development. Chunks of money went into financing Dominican budget deficits, into financing imports to hold down inflation, into setting up an agricultural county agent system. There was hope that in another year the Dominican Republic would be self-sufficient in food. The Peace Corps was going strong. The world price of sugar, the island's major cash crop, had recently fallen to catastrophic lows, but the United States was making up for this with food, cash and credit.

What then went wrong?

The evidence seems to indicate the 32 years of Trujillo dictatorship and the in-an-out governments since had left the people temporarily incapable of understanding democratic processes.

When the government instituted reforms, those hit by the reforms turned against the government. When the government tried to stop bureaucrats from dipping their hands into the till, the bureaucrats be-

## Enstrom Gets State Award

LANSING (AP)—A Michigan-built helicopter settled on the front lawn of the State Capitol Wednesday as Gov. Romney and the Legislature prepared to present "Michigan Product of the Year" and "Agricultural Development of the Year" awards to Michigan businesses.

The helicopter, built by the Enstrom Corp., of Menominee, was honored as the Product of the Year in the observance of "Our Livelihood Day" of the 12th annual Michigan Week. Romney presented the awards at a joint session of the House and Senate.

The Agricultural Development Award went to Andrew Murch, a Paw Paw fruit processor for a new fruit juice process "which produces better quality and a higher yield," Romney said.

The product award was presented to Rudy Enstrom, a former mine mechanic who built the prototype helicopter out of washing machine parts as a hobby.

"We are fortunate as a state to have men with such great imagination," Romney said. "If it had not been for men of imagination, the automobile industry would not now be centered in Michigan. If economic dictates had been the only factor, it would have been located on the East Coast somewhere."

came angry. When the government told army officers not to operate on the black market or take a rake-off on government contracts, they turned anti-government.

When the government attempted to cut back on the over-size 35,000-man army and wean the police from terrorist methods, a chunk of these men turned sour.

The few able administrators had been so tarred with the Trujillo brush as to be ineffective.

On the other side of the political fence, after many years of dictatorship, many people were unhappy because reforms didn't go fast enough.

Of the \$150 million the United States put into the Dominican Republic these past few years, only a trickle was for the training of officials, army officers or police in democratic administrative techniques and attitudes.

Practically nothing was done to help the Dominicans set up responsible political parties. Almost no training was given people in the villages in setting up democratic voting and local governing procedures.

The Dominican crisis seems to show that investing millions in economic aid alone isn't sufficient to prevent communism, or insure good government (in the short run anyway) if there is little or no experience in democratic self-government to begin with.

Major U. S. successes have been in those countries where for one reason or another we interfered in the internal affairs of the governments and attempted directly to change these governments and educate their people in democratic principles—Japan, West Germany and the Philippines. (Then we bowed out).

Our major failures have been in those democratically backward countries into which we poured large amounts of economic aid but did little to train and educate them in democracy.

## Auto Industry Profits Spurt

DETROIT (AP)—Record new car sales helped dealers post their biggest profit margin in 10 years in the opening quarter of 1965.

So reported the National Automobile Dealers Association today in its quarterly assessment of how the nation's auto dealers are faring.

Profits before federal taxes in the three-month period averaged \$125 per new unit sold, or 2.6 per cent of total sales, NADA said. The figure was the highest for an opening quarter since 1955 when the industry average hit 3.1 per cent.

The healthy 1965 first quarter figures compared with \$108 or 2.2 per cent in the comparable period last year.

The upswing in first quarter profits continued a trend that began in 1962; since then the climb has been uninterrupted. NADA said one of the bright spots in the dealer picture was the fact that only 3.4 per cent of all dealers showed an operating loss in the first quarter, compared with 8 per cent in the opening quarter last year.

The used car market also showed more firmness than a year ago, NADA said. The average used car selling price climbed to \$932, the highest average recorded in 15 years. It stood at \$866 at this point a year ago.

Supplementing the NADA report, the trade publication Automotive News made its own survey of dealer operations for April and said over 80 per cent of those polled said their April, 1965 profits ran ahead of a year ago.

The exceptions included a couple of Minnesota dealers whose areas were hard hit by flood conditions recently. Those same dealers expressed confidence they would make up the losses very shortly.

NADA's figures were released before President Johnson called for a three per cent cut in the 10 per cent excise tax on new cars, retroactive to May 15.

That cut is expected to be reflected in even more glowing sales and profit pictures for the second quarter.

## Questions And Answers

Q—What clothing fabric is named after a river?

A—Tweed, first woven in Scotland. Some people believe the cloth was named for the Tweed River.

Q—How much weight is represented by the English term "stone"?

A—The legal English stone is 14 pounds.

## Ann Landers

# Dogs Can Get Depressed Too

Dear Ann Landers: We have some close friends who are dog lovers. Last evening my husband was telling about our 8-year-old son's unusual interest in science. The dog-lover interrupted to tell a story about her poodle. Three years ago, she said, the dog began to take on the personality characteristics of her husband.

"When Tom suffered business reversals and became depressed the dog became depressed, too," she said. "He would not eat a thing. Tom had to be hospitalized. The same day the dog had to be hospitalized because he had become so weak from malnutrition he could barely walk."

She continued, "Six weeks later Tom returned home feeling much better. When the dog was brought home he was still melancholy. Upon seeing his master improved the dog perked right up."

My husband and I believe that pet-lovers who become involved with their animals imagine all sorts of things. We can't buy her story. What do you think? — DOUBTERS

Dear Doubters: Animals have distinct personalities. It is not uncommon for personalities to be influenced by what happens around them. I do not doubt this story for one moment.

Dear Ann Landers: When I married my husband five years ago we were both in our middle 40's. Each year our marriage seemed to be rockier than the year before. I begged him to get professional help but his stock reply was, "I am all right. You are the one who is nuts."

Several months ago when my husband became abusive I packed up and left him because I feared for my life.

I haven't seen him for three weeks, but he telephones every day to say he loves me. He wants a divorce so he can start courting me again and decide if we should be remarried.

I'm hoping we can recapture the wonderful joys we knew when we first met. Is there a chance? — DREAMS OF THE PAST

Dear Past: No — and if you would stop dreaming long enough to remember what your marriage was really like you'd know better, too. Why do you think your husband is going

to treat you differently the second time around? Get with it, Sister.

Dear Ann Landers: This afternoon I glanced out the window as I was doing my dusting and I just happened to see the woman next door shaking my four-year-old son by the arm. I dashed out and ordered her to take her hands off my child. She shouted, "Bernard is always hitting my Albert and I'm not going to put up with it any longer."

Both children are four years of age, but my Bernard is a little larger than her Albert. I lost my temper and slapped the woman's face. She had metal curlers in her hair which caused a small cut on the side of her cheek.

The minute my husband drove into the garage my neighbor's husband was over here. He told my husband his wife was in bed with an ice pack and under sedation. He said his wife went to pieces after I hit her and they had to call the doctor. The last thing he said was, "There may be a law suit."

If a woman can be sued for protecting her child what kind of a country is this anyway? Please comment. — MRS. X

Dear Mrs. X: The kids are four years old. What's your excuse? Hitting people is called assault and battery and your lawyer can tell you more about the chances of a suit than I can.

But apart from possible court action you owe this woman an apology, plus the price of the doctor's visit.

Awkward and self-conscious? Unsure of yourself? Write for ANN LANDERS' new booklet, "The Key to Popularity," enclosing with your request 35c in coin and a long, self-addressed, stamped envelope.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper, enclosing a stamped, self-addressed envelope.

Listed Pharaohs

Manetho, Egyptian historian, made a great contribution to knowledge of ancient history when he divided the names of the Pharaohs into dynasties. While his list is not accurate, it still is used by many historians.

# Piece Of Paper Sought To Solve Straits Sinking

ST. IGNACE—Somewhere in the flooded engine room of the sunken freighter Cedarville is a sodden piece of paper that could go far to help solve the mystery of her sinking.

This piece of paper, which would be somewhere in the area of the maneuvering platform, if not shifted by currents, is the scratch sheet on which is maintained rough notes of every speed change on the engines ordered from the bridge.

The rough notes on the scratch sheet are put down by the man on duty on the maneuvering platform after each speed change has been executed. At the end of the watch the rough notes on the scratch sheet are transferred to a permanent record called the bell book.

This sheet would tell each change of speed, what the change was, and the time it was executed. In this respect it contains important information. None of the men on duty in the engine room escaped alive when the ship suddenly capsized at 10:25 a. m. Friday, May 7, and the accounts of two survivors who were working on the bridge are contradictory.

Captain Martin E. Joppich, who was working his ship from the bridge, has told a U. S. Coast Guard board of inquiry that he made no major course changes until he sighted the Norwegian ship Topdalsfjord.

looming out of the fog on a collision course about one minute before the crash.

Then, he said, he threw his ship hard astarboard, and then made another change to hard port just before the collision.

But Wheelman Leonard T. Gabrysiak has testified the Captain made the starboard turn quite some minutes before the collision.

The Captain of the Topdalsfjord has testified that it was this hard starboard turn, which Captain Joppich has denied, that put the Cedarville straight across his bows.

The course changes probably won't show in the scratch sheet, but the speed of the vessel would show. In this respect the Cedarville's captain has said he went to slow speed in the vicinity of the Cheboygan Traffic buoy about 14 miles south of the Straits. But the wheelman said the captain maintained full speed ahead until only a few minutes before the crash, going to slow speed at some point on the hard starboard turn. In this situation it is the wheelman's word against the captain's word on both the speed of the vessel and the time of the course changes.

The bell book scratch sheet could resolve these contradictions but it is unlikely this sodden bit of paper ever will be found. The Cedarville is lying on her starboard side and everything is topsy-turvy in the engine room.

A U. S. Steel spokesman said in Mackinaw City that the crew of divers searching the sunken ship have completed an extensive search of the engine room without success in finding the piece of paper. He said, however, that this does not preclude the possibility that other searches would be made.

The man who would have been keeping the bell book scratch sheet, Reinhold F. Radtke, third assistant engineer, perished in the accident. His body was recovered from the engine room last Wednesday.

Divers recovered the ship's clock, which had stopped at 10:25, indicating the ship was afloat 40 minutes after the 9:45 a. m. collision.

## Awards Given At Rifle Club Final Meeting

BARK RIVER — The last meeting of the year of the Bark River Junior Rifle Club was held Monday night at the Community Hall. Marksman instructor, Ray Meyers, issued medals and certificates to members.

Marksman 1st class medal and certificate went to Sandra Peterson; sharpshooter medal and certificate to Janis Quist, Tony Westlake, Daniel VanEnkevort, Richard Grzyb, Gregory Meyers; 4th bar; Regina Meyers; 6th bar; Dennis Porath.

The final report from the National Rifle Association in Washington gave the score and standings of the three teams who competed in the four month National Postal Match: Division C, 1st team, Score 1,753 out of a possible 2,000, finished in 84th place with 139 teams in the United States competing; Division C, 2nd team, score 1,522, in 101st place; Division D, all girls team, Score 1,666 out of a possible 2,000, 26th place out of 49 teams competing.

In the indoor range contest the record held by Larry Arkens of 164 points was broken this year by Bonnie Meyers with 170 points. This shoot was 10 rounds prone, 10 rounds standing with a possible 100 points in each position.

Larry Arkens, who took the test for assistant instructor, has received a certificate from the NRA qualifying him as an assistant instructor. After the meeting Meyers, gave a demonstration on reloading ammunition. Kerry Langlois won the fifty rounds of ammunition. Dennis Urbanc was Meyer's assistant during the past month.

## Mrs. Bosanic In Honor Society

GARDEN—Mrs. Cheryl Richard Bosanic, 679 Lexington Ave., East Lansing, was initiated into the National Honorary Scholarship Society for junior colleges, Phi Theta Kappa recently at a candlelight ceremony at the Lansing Community College.

Cheryl is the daughter of Mr. and Mrs. Cal Richard of Garden, and is a 1963 graduate of Holy Name High School, Escanaba.

## Four Candidates File For Board

POWERS-SPALDING—There are four entries into the race of the Powers-Spalding School District election. Stanford Strand is running with no opposition for the one year term left through the vacancy of Raymond Gorsinski who has resigned. Raymond Castmire who has served for 12 years on the board has indicated he will not be a candidate. His term is expiring. Those who filed petitions are Roger Stebbins of LaBranche, M. Margaret Kell and Napoleon Betters, all for a four year term. School election is set for June 14.

**Square Dance**  
The Little Flower Circle of St. Francis Xavier parish is sponsoring a square dance at the Powers - Spalding High School gym Saturday, June 5. Dancing will be from 9 to 1. Frank Kirby from Menominee will do the calling.

**P.T.A. Thursday**  
A Parent-Teacher meeting will be held at Powers-Spalding High School Thursday May 20, at 8 p.m. A special program is planned and installation of officers will be held. Refreshment will be served.

**Old Advertisements**  
Written advertisements 3,000 years old have been discovered by archeologists delving into the ruins of Thebes. Invention of movable type ushered in the modern area of advertising, according to the Encyclopaedia Britannica.

# Women's Activities

## Many Activities Mark Perkins End-Of-Year

PERKINS—Activities at Perkins High School leading up to commencement will open tonight at 8 with the annual Class Night exercises.

The school prom will be held Saturday, May 22, at 9 p. m. with music by the Rhythm Rockers. The theme is "Over the Rainbow."

Baccalaureate services will be held Sunday, May 23, at 8 p. m. with Father Edward Malloy giving the sermon.

Commencement is scheduled for Wednesday, May 26, at 8 p. m. The school band will play several selections and Pastor William Avery will give the invocation and benediction.

### School Election

Three candidates, Mrs. Bonnie Smith, Mrs. Mary Ager and Glenn Anderson have filed petitions for the school board. One member will be named for a four-year term at the June 16 election.

Mr. and Mrs. David Turan of Lansing visited at the Andy Bannister home.

Sister Mathias O. S. B. of Hibbing, Minn., Monica Jodocy of Garden City, Mr. and Mrs. Joseph Mattillo and Mr. and Mrs. Keith Carlson and Dean of Wyandotte have returned home after attending the funeral of Mrs. Clemence Jodocy.

Mrs. Alba Klien and Laurie of Iron Mountain spent several days at their cabin at Garth and visited friends here.

### SOFTENING SKIN

Do your knees and elbows embarrass you? Treat them to an overnight refresher. Smooth on a mixture of lemon juice and baby oil after scrubbing the areas with a brush first. This combination helps rid knees and elbows of discolorations while softening the skin.

AT THE ATTRACTIVE bridge luncheon and closing meeting of the Escanaba Woman's Club, held Wednesday afternoon at the Terrace Supper Club, are, from the left, seated: Mrs. Forrest Henslee, newly elected president, Mrs. O. W. Brookes, retiring president, and Mrs. C. J. Crooker of Ontonagon, president of the Upper Peninsula District Federation; standing, Mrs. Jean Cote, member of the Board of Directors, Mrs. E. L. Pohl, treasurer, Mrs. Tom Irish, corresponding secretary, Mrs. Donald Ness, also a member of the Board, and Mrs. William Durkin, secretary of the District Federation. Mrs. Crooker was a special guest at final meeting of the club year. (Daily Press Photo)

## Kindergarten To Hold Graduation

The Flat Rock School kindergarten graduation will take place Wednesday evening May 26, at 7:30 p. m., in the multipurpose room. The school band, under the direction of Robert Anderson will furnish the musical program.

The graduation program will include a skit composed of nine parts each part representing one month of the school year. The entire class of 58 will take part in the presentation.

The diplomas will be pre-

## Social-Club Pasty Sale

The Women's Society of Christian Service of Central Methodist Church is sponsoring a pasty sale Saturday, May 22. Orders may be called in to the church from 2 p. m. Friday to 2 p. m. Saturday. Delivery will be made for those who request it.

sent by Robert Groos, secretary of the Board of Education. Mrs. Florence Dickie is the kindergarten teacher.

## May Crowning Held Sunday

POWERS-SPALDING — A double May Crowning of the Blessed Virgin Mary took place in St. Francis Xavier parish Sunday, one at Pinecrest Medical Facility and the other at the church. Members of the Young Ladies Sodality and altar boys took part, led by Father Walter Franczek. Durene Perry crowned the Queen at the first ceremony and Jeanne Nowack, at the second. Crown bearers were Donna Paquin and Barbara Smith. The service ended with Benediction.

### At Meeting

At the general spring deary meeting at the Epiphany Church hall, Menominee Monday evening were Mrs. Earl DuBois, Mrs. Napoleon Betters, Miss Dorothy Patrick, Mrs. Lester Smka, Mrs. John Cory and Mrs. Edward Wiczech. Jean Worth, editor of the Escanaba Daily Press, was guest speaker. The Marinette Catholic Center Chorale entertained under the direction of Robert C. DeMille. Lunch was served by ladies of the church.

### Father-Son Dinner

A Father and Son dinner will be sponsored by Powers-Spalding Lions next Monday evening at the Wildwood Country Kitchen. Anthony Giavonni of Iron Mountain will conduct the program.

### Confirmation

The Rev. Phillip Kuckhahn will confirm a class of eight boys and girls Sunday, May 23, at 9 a. m. service at Grace Evangelical Lutheran Church.

### FACE EXERCISES

Your face is made up of many muscles. Like the rest of you, the more you exercise the muscles, the better it is for you. Daily massage when applying moisturizing creams and make-up removing creams contribute to muscle firmness. Let your facial muscles down and they will eventually let you down.

## Isabella Circle Mother-Daughter Party Monday

The annual Mother-Daughter party for members and guests of Daughters of Isabella Trinity Circle 362 is to be held Monday night at 6:30 at Marco's Starlite Room.

Following the dinner, cards of the players' choice will be played with prize awards for each table. Tonight is the last day to make reservations for this affair.

The committee in charge is: chairman, Mrs. Richard Seibert, assisting chairman, Mrs. Thomas A. Kroll, and Mesdames Louis Dufour, Victor Groos, Byron Ford, Clarence Larson, Earl Beldman, Harold Dishneau, Walter Casey, Helmer Peterson, Joseph Casey and John Mroz.

## Births

HANSON — Mr. and Mrs. Melvin W. Hanson, Bark River Rte. 1, are the parents of a son, born at St. Francis Hospital May 18 at 3:07 p.m. The infant weighed 6 pounds and 15 ounces and has been named Michael Victor. Mrs. Hanson was Jeanette Flouro.

BELANGER — A daughter was born to Mr. and Mrs. Robert J. Belanger, 1503 Minnesota Ave., Gladstone, today, May 20, at 3:29 a.m. at St. Francis Hospital. The infant weighed 7 pounds and 13 ounces. The mother is the former Gloria Franklin.

MATTSON — A daughter, Tracey Renee, weighing 4 pounds and 6 ounces, was born to Mr. and Mrs. Otto B. Mattson, Escanaba Rte. 1, today, May 20, at 4:15 a.m. at St. Francis Hospital. Thelma Rudinger is the mother's maiden name.

SNYDER — Mr. and Mrs. Charles L. Snyder, Gladstone Rte. 1, are the parents of a daughter, Susan Mary, who weighed 8 pounds and 8 ounces at birth today, May 20, at 7:01 a.m. at St. Francis Hospital. Mrs. Snyder is the former Mary Schaut.

## Benefit Breakfast Sunday Morning

POWERS-SPALDING — Powers-Spalding Lions are sponsoring a pancake and sausage breakfast at the high school Sunday, May 23, from 9 a. m. to 1 p. m. The 1965 graduating class, class advisers and Supt. and Mrs. Eber Carlson will be guests. Proceeds will be sent to the Bay Cliff Health camp. Tickets may be obtained from any Lions member or at the school before the breakfast.

### Rock

#### Music Festival

The annual music festival will be held at the Rock school Monday, May 24, starting at 7 p. m. There is no admission charge. Everyone is welcome.

### School Picnic

The annual Rock School picnic will be held Thursday, May 27. A film will be shown at the school in the morning. The picnic will be at the U. P. Bible Camp grounds at Little Lake. Parents are urged to attend as well as the students. Report cards will be issued at 12:30 p. m. the last day of school.

Laurie Maki has been dismissed from the Veterans Hospital in Iron Mountain and has returned home.

## Bridge Luncheon Marks Close Of Club Year

The Escanaba Woman's Club held its closing meeting Wednesday afternoon at an attractive and enjoyable bridge luncheon held at the Terrace Supper Club. A special guest was Mrs. C. J. Crooker, Ontonagon, president of the Upper Peninsula Federation of Women's Clubs.

Mrs. O. W. Brookes, retiring president, extended the welcome and Mrs. Donald Ness gave the prayer.

Following the delicious luncheon, Mrs. Brookes introduced Mrs. Crooker, and also Mrs. William Durkin, Escanaba, who is secretary of the Upper Peninsula Federation. She expressed her thanks to her board of officers, Mesdames Forrest Henslee, Mrs. Robert Schmeling, Mrs. Tom Irish, Mrs. Richard Wolfe, Mrs. E. L. Pohl, Mrs. Ness and Mrs. J. P. Cote, as

## Home And School Names Officers For New Year

St. Anne's Home and School Club, at its final meeting Tuesday evening, elected officers for the new school year.

They are: president, Glen Moras; vice president, Ed McCarthy; secretary, Mrs. John Robitaille; treasurer, Mrs. Louis Dwyer; auditor, Mrs. Earl Delforge.

Earl Delforge, retiring president, presided at the meeting.

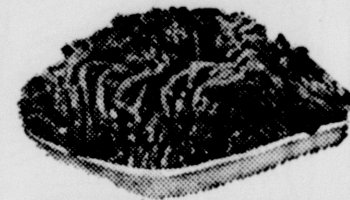

Following the business session Father William Richards showed slides of varied parish activities of the past year.

Room count was won by the first grade. During the social hour lunch was served by mothers of the first grade.

Cards followed in the attractively decorated ballroom. Several guest prizes were awarded and table prizes were white urns holding colorful spring flowers.

## Divorce Granted To Judy Garland At Santa Monica

SANTA MONICA, Calif. (AP) — It took only four minutes of testimony by Judy Garland, plus that of supporting witnesses, to win the singer a divorce from producer Sid Luft.

The decree ended a 13-year marriage marked by legal battles and numerous separations. "He struck me many times. He did a lot of drinking," Miss Garland, 42, told Superior Court Judge Edward R. Brand Wednesday.

It was the fourth time the singer had sued Luft for divorce. But on the other occasions — twice in California and once in Nevada — the complaints were withdrawn.

Luft, 46, did not contest the latest divorce action. It will be final in one year. The charge was cruelty.

Luft was granted reasonable visitation rights with his children by Miss Garland, Lorna, 12, and Joseph, 10. The court directed him to pay \$150 monthly support for each and ordered him not to take them from Los Angeles County without court permission.

### BABY'S TRAVEL TIP

Protect baby's skin while traveling. A new castle baby soap contains hexachlorophene which helps build up an antibacterial film.

You do not need to add more than one tablespoon of milk to one egg when you are making the dip for French toast or French - toasted sandwiches. This method goes heavy on the eggs but produces especially delicious toast or sandwiches.

COMING!

## Sandra E. Franke Will Be Bride In September

Judge and Mrs. Jerome E. Franke, 1233 West County Road B, Roseville, St. Paul, announce the engagement of their daughter, Sandra Lee to Ronald J. Riach, Minneapolis, son of Mr. and Mrs. Riach, 6731 North Beard Ave., Osseo, Minn.

Sandra is the granddaughter of Mrs. Gideon R. Stegath of 922 7th Ave. S., Escanaba, and has spent many summers here at the Stegath cottage on the Ford River Road.

Miss Franke attends Drake University in Des Moines, Iowa, where she is majoring in Elementary Education. She is a member and vice president of Kappa Alpha Theta social sorority. She has also been named to Kappa Delta Pi, honorary education fraternity, and Mortar Board and has served on the Student - Faculty Council and Judicial Board.

Her fiancé received his business degree in 1964 from Drake University and is now enrolled in their College of Law. He is a member and past president of Sigma Alpha Epsilon social fraternity and a member of Omicron Delta Kappa, honorary men's fraternity.

The wedding is set for Sept. 4 at Macalester Presbyterian Church, on the campus of Macalester College, St. Paul.

## McMartins Are Observing Anniversary

Mr. and Mrs. Kenneth McMartin, 1230 N. 22nd St., are celebrating their 30th wedding anniversary today.

Mr. and Mrs. McMartin were married May 20, 1935, in Central Methodist Church by the Rev. Karl J. Hammar, now pastor emeritus. Their attendants were Mr. and Mrs. Irving McMartin, Kalamazoo, former residents of Escanaba.

Mr. and Mrs. McMartin have two children, Kent, a student at Northern Michigan University, and Mrs. Donald (Marlene) Day of Garden City, Mich. They also have two granddaughters, Janet and Julie. Their daughter and grandchildren are here for the occasion.

### TALL BRIDE'S TIP

A sheaf of flowers carried on the arm is a new look for the tall bride. The smaller nosegay bouquet is a romantic choice for petite brides.

Sandra Franke

## Outdoor Living Beckons With Warm Weather

Though a few cold days may still be ahead, many families are already making plans for the return of warm weather and outdoor living on the lawn, terrace, and poolside.

Right in step with these plans are the new displays of outdoor furniture now being shown by department and furniture stores, with emphasis on beauty, comfort, and durability.

In addition to being offered in a wider range of designs, outdoor furniture has improved in comfort and versatility.

"The adroit use of woven wire, plastics, and foam cushioning makes outdoor furniture as comfortable as any indoor piece," the designers say. "You don't have to squirm on metal slats, canvas sheets, or plastic webs."

Advances in metal finishing make it possible to guarantee wrought iron against rusting for 10 years. Tempered glass tops are five to eight times stronger than ordinary glass, and guaranteed against breakage. Mesh, slate-textured fiber glass, Formica, and wood add to the choice of table tops.

Basil grows extremely well in a large pot and flourishes for months. The leaves may be used in practically all tomato dishes and they are also delicious added to French dressing or to salad greens.

## Seney

**Salutatorian**  
Nancy Mae Miller, daughter of Rev. and Mrs. Victor Miller, is salutatorian of her graduating class at Newberry High School. Nancy majored in English; science and math and is a member of National Honor Society.

### To Wisconsin

Bob Wetterlin, Seney station agent, is leaving for LaCrosse, Wis., where he will be employed by the Burlington Railway Co. Mrs. Wetterlin and children will join him after the end of the school term.

### Baby Shower

Mrs. Russell Mark was honor guest at a pink and blue shower held at the Town Hall. Mrs. Laura Hollingshead and Miss Verda Smeltzer were hostesses. Games were followed by lunch after which Mrs. Mark opened her gifts. Guests included Mesdames Don Wiertella, Rueben Hollingshead and Ed Williams, McMillan.

Mr. and Mrs. Bernard Anderson and family of Ontonagon spent the weekend with friends.

Mrs. Francis Morrison and David went to Detroit for a weekend with relatives and friends.

A pre-school clinic will be held at Seney School this week. Kindergartners to be registered are Jimmy Maxson and Nancy Meyers.

Mrs. Clara Boonenberg, White Pine, is spending a few days at her home.

Mrs. Jean Schomers and Mrs. Gladys Waller of Sandusky, O., are visiting at the home of Mrs. Pearl Smith.

Mr. and Mrs. Fred Woolford returned to Houghton Lake after a week's visit with friends.

Glen Short, local school bus driver, attended a school of instruction at Engadine.

MR. AND MRS. ARTHUR Derusha of 206 N. 13th St. announce the engagement of their daughter Therese Mary, to Airman Second Class James Murphy of K. I. Sawyer Air Force Base, son of Mr. and Mrs. John Murphy of Boston. A Sept. 18 wedding in Escanaba is planned.

## Isabella

### Work Bee

Residents of the community are asked to join in a clean-up bee Saturday, beginning at 9:30 a. m. at Isabella Cemetery.

### Plan Dinner

A committee meeting was held Monday evening at the Vernon Peterson home to complete plans for the Memorial Day dinner to be served at Isabella Community Building. Mrs. Vernon Peterson is chairman, assisted by Mesdames Harvey Sundin, Helmer Nelson, Emily Larson, Adeline Segerstrom, Sam Richmond, Alfred Erickson, Henry Legault and Myrtle LeVigne.

A. D. Murray attended the Lutheran Church convention at Marquette, as delegate of the Isabella parish.

Jonas Sjogren of Corden, Ia., is visiting the Arvid Sundins.

## Events Planned For Stephenson Graduation

STEPHENSON — The annual assembly honoring the Class of 1965 will open a series of events for the graduating class at the Stephenson High School.

Baccalaureate exercises will be held at 8 p.m. on Sunday, May 23, in the physical education facility, followed by the Senior tea, put on by mothers of the Class of 1966, which will be held at 4:30 p.m. on Monday, May 24, in the Commons area.

Commencement exercises marking the close of activities will be held at 8 p.m. on Thursday, May 27, at the high school.

Parents of seniors will receive tickets for special seating arrangements at both Baccalaureate and Commencement exercises.

The Rev. Ralph Backman of St. Stephen's Lutheran Church will give the Baccalaureate sermon.

The Commencement speaker will be Terrance Carey, director of admission, Michigan State University. He will be introduced by Joseph B. Gucky, superintendent of schools.

The Seniors are: Marilyn Aichner, James Anderson, Miriam Anderson, Phyllis Anderson, Thomas Anderson, Michael Axtell, Joseph Bastien, Lynn Bayee, Bonnie Lee Bogdan, Dennis Bowers, Wayne Brix, Elmer Busick, Garrett Chaney, Glen Corey, Gabrielann Czeto, Bonnie Lee Dellies.

Margaret DeMille, Shirley Desjarlais, Willington DeTemple, Norman Dolsky, Paul Dougovito, Sharon Douville, Pat P. Duffrin, Joanne Ebsch, Linda Egerer, Wesley Eland Jr., Darrell Erickson, Sharon Erickson, Wayne Erickson, Dale O. Frank, Donevon Freis, Scott Gay, Carolyn Garton, Judith Gerue, Lloyd Gignac.

John A. Goffin, Vivian Graves, Jeffrey Green, Jeanne Guard, Janice Halvorsen, Rose Hannon, Dennis Hanson, Carl Havelka, Jerald Hittman, Mary Hodobas, Mary Hoijer, Suzanne Hollo, Peggy Jones, Marilu Joslin, Gregory Kapica, Arlin Kinunen, William J. Kiszely, Kay Klein, William V. Klemolin, Judith Ann Kozlowski.

Gary Kregalka, JoAnn Kuntze, Kathleen Kurten, Dorothy Leiphart, Ruth Lord, Gerald M. Lutri, Caren Lynch, Carol Lynch, Beverly Machalk, Fredric Marineau, Mary Martin, Jon H. Mathews, Roberta Menacher, Thomas Menor, Samuel C. Morrow, Mark Mulzer.

Jon J. Nelson, Donald Palzewicz, Charles Paronto, Dale Pearson, Judith Pearson, Patricia Petersen, Janice Peterson, Richard Peterson, Lory Phillippo, Joanne Polsen, Allen Pomeroy, Henry C. Porras III, Thomas Raboine, Carol Jean Roberts, Susan Roberts, Barbara Rueleau, Patricia Sawall, Daniel Schlenvogt Jr.

Robert Schuette, Mary Schuster, LeRoy Sieja, Dennis Stiglitz, Judith Strazinski, Robert Strickland, Suzanne Strohl, Scott Szapa, David Thome, Steven Thounne, Diane Vincent, Robert Walcutt, Noreen Wall, Maribeth T. Walli, Carol Wangerin, Linda Westman, David C. Westrich, Barbara Wirhanowicz, Kathleen Wood.

Small-size pastry turnovers made with cheese or fish make an excellent hors d'oeuvre. They may be prepared ahead, wrapped appropriately and stored in refrigerator or freezer. When you take the turnovers out of their storage place, put them on foil and heat in a moderate oven.

Mrs. James J. Navin (Mincoff Photo)

## Janet Fagan Bride Of James Navin

St. Francis de Sales Church was the setting Saturday, May 15, for the 11 a.m. double ring wedding ceremony performed before Rt. Rev. Msgr. Scherlinger for Janet Ann Fagan, 2216 Bluemound Rd., Milwaukee and James J. Navin, 826 Aurora St., Waukesha, Wis.

Parents of the bridegroom are Mr. and Mrs. Ralph Navin, 826 Aurora St., Waukesha, Wis. and the bride's mother is Mrs. Russell Fagan, 416 Oak St., Manistique.

Cathleen Fagan, bride's sister served as maid of honor and Mary Duvall, cousin of the bride, Urbana, Ohio, was bridesmaid.

The bridegroom's brothers, Patrick and Robert Navin served as best man and groomsmen respectively. Ushers were Jack Murphy, cousin of the bridegroom and Kent Foster, friend.

The bride, given in marriage by her brother, R. James Fagan of St. Paul, Minn., wore a white silk shantung gown fashioned with a fitted bodice topped by a jacket which featured a back closing of tiny buttons. The simple flowing lines of the skirt ended in a chapel train. Her pillbox headpiece was secured to an elbow length veil. She carried a bouquet of Calla lilies adorned with a satin ribbon.

The attendants were attired in yellow silk shantung street-length dresses with jackets styled similar to the brides. Pillbox hat veils, short gloves and yellow shoes completed their costumes and they carried baskets of daisies.

The bride's mother selected a light beige silk linen dress with matching jacket and accessories. An apricot hat accented her costume.

Mrs. Navin wore a green silk dress and jacket costume with a harmonizing floral hat. Both mothers had corsages of Talisman roses.

A reception for 100 guests was held at the Surf following the ceremony. The buffet table was decorated with multi-colored daisies and centered with a four-tiered wedding cake garnished with white and yellow roses.

Following a wedding trip to

New York, the newlyweds will live in Waukesha, Wis.

The bride is a graduate of the Marquette University College of Nursing and is employed as an instructor at Milwaukee County General Hospital School of Nursing.

The bridegroom is a graduate of the Marquette University College of Business Administration and is employed as an administrative assistant at the Tektronix Division of Applied Power Industry in Waukesha, Wis.

## Cultural Award Planned For Michigan Week

Mrs. Dorothy Shipman

The Manistique Art Club has chosen Mrs. Dorothy Shipman to receive an award for cultural contribution to the community, in a Michigan Week program Friday night.

Mrs. Shipman recently retired from librarianship at Adrian, where a new library has been named in honor of her, and before that was librarian here. She has traveled and written extensively.

The Drum and Bugle Corps and the Drill Team meet at 7 p. m., Friday at Manistique High School and will march on S. Cedar St., to Triangle Park where the award will be presented.

Mrs. W. L. Norton will present a resume of the Little Theatre group's work here and a resume of the Art Club's activities also will be given. A vocal music group will sing under direction of Frank Wareham, and the Drum and Bugle Corps will play during the program. The Corps and the Drill Team will march back after the program.

The public has been invited. Mrs. Karl Krumrey, chairman of Michigan Week cultural activities is in charge of the program.

## Open House

Mr. and Mrs. William Christensen, State Road, will mark their silver wedding anniversary at an open house Saturday, May 22, from 5 to 9 p. m., at Maple Grove Hall.

## Top Students Are Announced

Sandra Mae Barton, daughter of Mr. and Mrs. Vernon J. Barton, 512 N. Mackinac and Susan M. Orhanen, daughter of Mr. and Mrs. Taisto Orhanen, 102 S. Cedar St., led their class in Manistique High school scholastically and will serve as salutatorian and valedictorian, respectively.

Miss Orhanen plans to enter Northern Michigan university this fall and hopes to enter the field of secondary teaching. She has been active in band, pep band, GAA Tri-Hi-Y, Dramatics, Future Teachers club, was in the senior class play, on the yearbook staff, and president of the junior and senior class. She also was president of Tri-Hi-Y.

Susan M. Orhanen

Sandra Mae Barton

GAA, director of the pep band and treasurer of the GAA.

Miss Barton was in the Spanish club, Future Teachers Club,

4-H and YCS church work. She plans to enter Northern Michigan university and enter the teaching field.

## \$25,000 Given By Inland To Improve Road

Inland Lime and Stone Co. Tuesday night presented a \$25,000 check to the Schoolcraft Road Commission to assist in cost of laying bituminous surface on County Road 432 this summer.

The road leads from U.S. 2 to Port Inland, and serves the industry as well as residents and visitors to the McDonald Lake-Seul Choix area.

Al Boyd, chairman of the Road Commission praised the civic spirit of the firm, noting it has been generous to the welfare of the people of the area. Without the contribution the road improvement would not have been possible, he stated.

The 8.17 mile road was built as part of U.S. 2 in 1931 and was taken over by the county in 1938. In 1940 Inland furnished stone and bituminous material for improvement of half of it and in 1945 furnished stone for the other half.

The improved road will have the same specifications for weight accommodation as U.S. 2, the commission reported.

A resolution in behalf of all the people of Schoolcraft County was adopted by the Road Commission, thanking the firm for its contribution and citing its good citizenship.

Presenting the check for Inland was John W. Moffat, vice president and general manager.

## Briefly Told

William McKilligan, Hiawatha Township 4-H club member has been named a district winner in electrical project work. He will compete for state honors in the state 4-H show.

W.C.O.F. will hold a social meeting May 25. The hostess committee are: Mrs. William Pistulka, chairman, Mmes. Lloyd Neville, John Ozanich, Harry Osterhout, Frank Paquette, Charles Redeker, John Phillips, and William Norton assisting.

An emergency meeting of parents of graduating seniors and other interested parents has been scheduled Sunday, May 23 at 7 p. m., in Manistique High School to discuss "after graduation activities." The meeting has been called by the Schoolcraft Council on Family Relations.

With him were A. J. Cayla Jr., Matthew Stram and Harold Cockram.

## What's Cookin'

### STRAWBERRY CHIFFON PIE

- |                                 |                                 |
|---------------------------------|---------------------------------|
| Make and bake a 9" pie shell.   | 1 envelope unflavored gelatin   |
| 1 cup strawberry pulp and juice | 1/2 cup boiling water           |
| 1/4 cup sugar                   | 2 egg whites                    |
| 1/4 tsp. salt                   | 1/4 cup sugar                   |
| 1 tbsp. lemon juice             | 1/2 cup whipping cream, whipped |
| 1/4 cup cold water              |                                 |
- Wash strawberries, remove hulls and crush; measure 1 cup berries and juice. Stir in 1/4 cup sugar, salt, and lemon juice. Allow to stand 1/2 hour.
- Pour cold water into small bowl. Sprinkle gelatin on top. Stir. Add boiling water and stir until gelatin dissolves. Stir into strawberry mixture. Cool until mixture begins to thicken. Then fold into a meringue made from egg whites and 1/4 cup sugar. Fold in whipped cream. Pile into cooled, baked pie shell. Chill several hours.
- Super Tip—Serve cold garnished with a small amount of whipped cream and a whole strawberry with hull.

Mrs. James Fandrick (Mincoff Photo)

## Nancy Nicholls Wed To James Fandrick

In a double ring ceremony Saturday, May 15, at 7 p.m. in the Lutheran Church in Engadine, Nancy Nicholls, daughter of Mr. and Mrs. Edwin Nicholls, Engadine became the bride of James Fandrick, son of Mr. and Mrs. Sig D. Fandrick of Engadine.

Rev. M. D. Hilgendorf performed the ceremony and organist was Mrs. Olga Hollsted. Soloist was Glen Williams accompanied by Mrs. George Williams.

The bride's sisters, Joyce Nicholls served as maid of honor and Mrs. Allen (Karen) Platt, Lansing as bridesmaid. John Fischer, Escanaba was best man and groomsmen were Philip Boucha. Ushers were Paul Williams, Clarence Bouch, Allen Platt and Wayne Schroeder.

The bride was attired in a floor length gown with scoop neckline, three-quarter length sleeves, and a controlled bell tunic skirt bordered with taffeta lace which also edged the detachable chapel train. Her headpiece was a cluster of taffeta roses secured to an illusion veil.

A cascade of red roses and

white chrysanthemums formed her bouquet.

Her attendants wore pale blue and white floor length gowns with matching headpieces and carried bouquets of blue carnations outlined with white chrysanthemums formed in crosses.

For her daughter's wedding, Mrs. Nicholls selected a pink lace dress with matching accessories.

Mrs. Fandrick wore an aqua blue costume with matching accessories. Both mothers had white rose corsages.

Following the ceremony, a reception was held at the Engadine Community building.

The newlyweds will make their home in Detroit.

Both are graduates of the Engadine High School and the bride also graduated from the Hackley School of Nursing, Muskegon.

## Laura Dodge Dies At 87

Laura Q. Dodge, widow of the late Ralph Dodge and former Manistique resident died Saturday, May 15 at the home of her daughter, Mrs. Helen DeRoche, Flint.

Born Laura Q. Greenwood May 6, 1878 at Fonthill, Ontario, she is survived in addition to her daughter, Helen, by five sons, Francis W. Perry, Fla.; Charles A., Tampa; Theodore E., New Haven; Harold G., New Haven; and Lee W., Southfield; 17 grandchildren, and 21 great grandchildren.

One sister, Mrs. Blanche Graham of Manistique also survives.

Services were held at the Mount Vernon Chapel in Flint with Rev. Walter L. Taylor officiating. Burial was in Hiawatha Township Cemetery, Manistique.

## Briefly Told

Sharon Chartier, Hiawatha Township and Susan McDowell of Seney have been selected to attend the citizenship short course in Washington, D.C. July 11-17. Jeanne Freeland is alternate.

## Hospital

Admitted to Schoolcraft Memorial Hospital were David Burnis, 420 N. Mackinac; Helen Gaudette, Perkins; Irene Propst, Grand Marais. Edith Thompson was discharged.

## Lions Install New Officers

The Manistique Lions Club installed newly-elected officers at a Tuesday night meeting in the Surf with J. Walter VanDeWeghe of Gladstone as installing officer.

Elmer Flodin was installed as president; Henry Brolin, first vice president, William Beaudin, second vice president, E. E. Wuehle, third vice president, Russell Paquette, secretary and David Setterlind, treasurer.

Directors are Clarence Vance and Frank M. Gierke Sr., one year; Carl Graves and John Doyle, two years, and tailtwister, Walter E. Johnson, and Lion tamer, Paul Sablack.

Mrs. Ed Farrell, a speech correctionist, spoke on speech defects and their correction, stressing that parents should not expect too much from their youngsters. Each child grows at a different rate, children should be accepted as individuals, and they should not be brought to some "norm," she said.

The Jivaro Indians call the shrunken heads of their enemies "santsas."

WCS Pasty Sale May 27 at Gambles Store and First Methodist Church. For advance orders call 341-5812 or 341-5491.

## Norton Honored For Scout Work

The Hiawathaland Council, Boy Scouts of America, gave recognition to a Gladstone man for his outstanding service to Scouting, with the awarding of the Silver Beaver at the Council's annual meeting at Sault Ste. Marie on Sunday.

Ray Norton, Scoutmaster of Troop 466 for 12 years, who continues to assist with the outdoor activities and camping program, was presented with the Silver Beaver, one of five U. P. men to receive Scouting's highest adult honor.

Ray Norton

Norton is the former mayor of Gladstone, is employed in the Gladstone post office, and retired as Scoutmaster two years ago. Troop 466 is sponsored by the Gladstone Rotary Club.

He is the new commissioner for Red Buck District.

The Council reelected President Clifton F. Rogers and vice president John Howard, both of Houghton.

National Council Representatives elected included James Jones, Gladstone. Executive board members also include Jones.

Automatically members of the Board will include: Red Buck, Art Pope, chairman, Gladstone; Dr. W. Nelson and Robert Barron, both of Escanaba.

A Council operating budget for 1966 of \$69,601 was approved. This budget would provide for an additional man on the staff, a priority need of the council.

The big moment of the evening came when the Silver Beaver Awards, Scouting's highest adult honor, were presented to five recipients by Chairman Guy Peterson of Marquette. All recipients were Scoutmasters and two were Cubmasters in addition to serving as Scoutmasters. Three of the five had received their Wood Badge Training at Region 7 Canoe Base. The five men are: Norton and Vernon J. Miljour, Norris D. Shane, State

Police Trooper Nalbert Gerber, Manistique, Troop 402, Zion Lutheran Church, who received a surprise when his Eagle Scout brothers, also members of the Michigan State Police, appeared from the back of the auditorium to escort their brother to the platform.

Brothers Bill and Al, active in Grand Rapids and Detroit Area Councils, had driven up to surprise their brother on the occasion.

### Music Teacher Given Farewell

A farewell reception honoring Sister M. Wilfred, who will leave All Saints School where she has served as music instructor for the past 11 years, was held in the school multipurpose room Tuesday evening.

Approximately 150 people attended the reception and presented Sister Wilfred with many gifts. Refreshments were served at the close of the social evening by members of the parish.

Sister Wilfred will be leaving All Saints School at the close of the school term on May 29.

Real name of Eric the Red was Eirik Thorvaldson.

## Downstate Fish Lake Proposed

By BOB VOGES  
AP Outdoor Writer

LANSING (AP) — The trout would be taken to where the fishermen are under a new plan being worked out by the Conservation Department.

For years, Michigan trout fishermen have headed north to catch their favorite fish. The new plan would establish a year-around deep trout lake in southern Michigan, where most of the license-buyers are located.

The lake is seen as a main attraction of a 3,400-acre public recreation area to be established three miles southwest of Ionia. This would be within handy driving distance for anglers from Kalamazoo, Grand Rapids, Battle Creek and Ionia.

Sessions Creek, a clear, free-flowing stream would be impounded to create a 80-100 acre lake.

Rainbow trout will be planted in the lake. Two alternate plans have been proposed for their management.

One calls for fall stocking of fingerling trout and management of the lake like any other trout lake. This is not expected to attract too much fishing use, however.

Roger Wicklund, of the department's Fish Division, favors instead a fee management plan. This would call for an original stocking of fingerlings and follow-up plantings as fishing pressure warrants. The plantings would include trout from legal size and up to 10 inches.

Fishermen would be charged \$1 a day for their sport. Wicklund estimated this should produce about \$40,000 a year. All the money would be used to pay for new stockings and guarantee quality fishing.

The rainbows would not reproduce naturally in the lake so the planting would have to be a continuous process.

Under the fee plan, there would be no maximum size but a catch limit of five a day. The lake would be open the year-around for trout fishing.

### Studebaker Puts Out 1966 Cars In Late September

SOUTH BEND, Ind. (AP) — Studebaker Corp. announced it would introduce its 1966 line of cars in late September. Gordon E. Grundy, president of Studebaker's Canadian-based automotive division, said the Hamilton, Ont., plant would close for vacations and model changeover in July.

There had been some speculation in the auto industry that Studebaker might leave the automotive field.

Studebaker officials had estimated their break-even point at 20,000 cars a year. They built 5,500 in the first quarter and sold 3,124—a drop of about 70 per cent over the 10,536 cars sold in the first three months of 1964.

### Student Loan Fund A Success

ROCK—The Rock Student Loan Fund has been in operation successfully for three years. During this period, 17 loans have been granted to ten different students, adding up to a total of \$2725. Some of the graduates have begun to repay their loans, but more drives will be needed before the Fund will become self sufficient. Money will be needed for students come fall, therefore a drive has been planned to coincide with the Centennial Labor Day festivities.

#### At Meeting

Mr. and Mrs. Robert Koski and Mr. and Mrs. Jack Berg attended the Upper Peninsula annual meeting of Scouters at Sault Ste. Marie Sunday. While the men were at the meeting, the ladies were given a bus tour of the locks and the city.

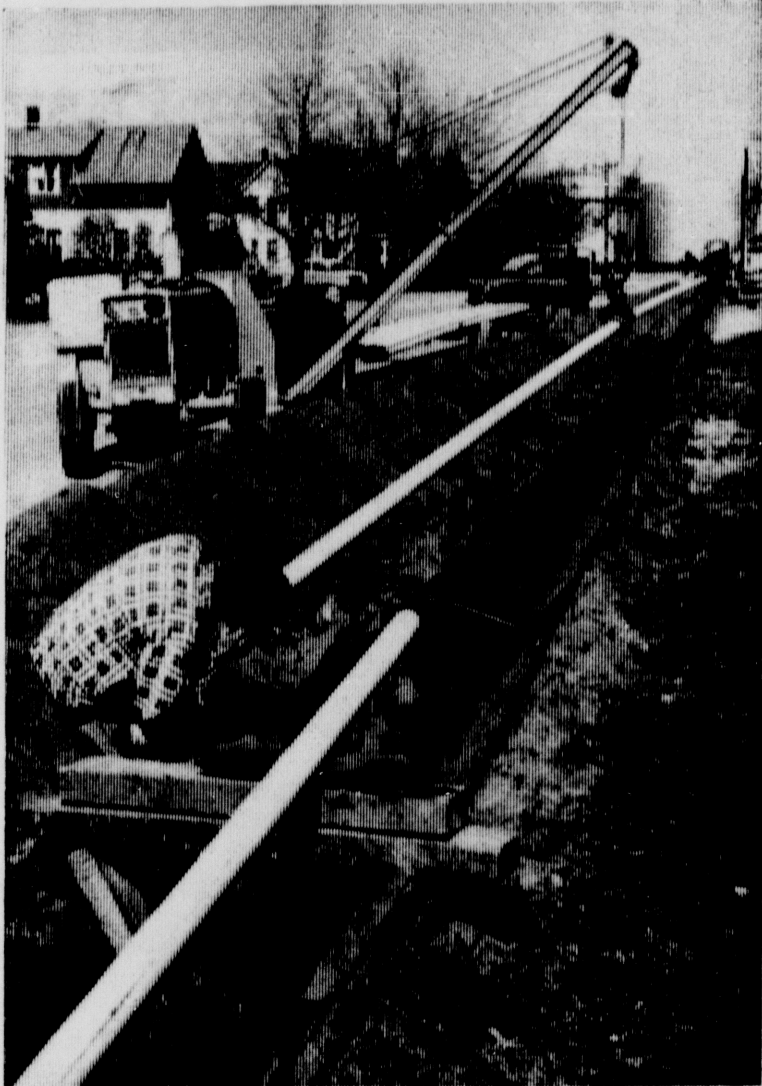

At the recent car wash the Boy Scouts sponsored at Rock, they netted a total of \$39.05.

Mrs. Arvo Kulki had surgery at the Mayo Clinic in Rochester last week. Mrs. Lillian Roberts had surgery at the same clinic Monday.

Mrs. Andrew LaBresh has been dismissed from St. Francis Hospital.

### Garden Lists Closing Events

GARDEN — The schedule for Garden School for the remainder of school year has been announced by Supt. David Harju: Friday, May 21, high school picnic, Pioneer Trail Park; Monday and Tuesday, May 24 and 25, examinations for high school; Sunday, May 23, 7:30 p.m. kindergarten graduation and program by first graders; Monday, May 24, grade school picnic; May 27, Thursday, senior graduation, 8 p.m.; May 28, Friday, School will be dismissed for the summer vacation.

WORK ON INSTALLING natural gas pipelines in Gladstone is continuing at a fever pitch. Wednesday crews of Van Ess Pipeline Contractors, Grand Rapids, laid over 3,000 feet of pipeline, the most in any single day since work began last week. Here, main line pipe is laid along Delta Ave. (Daily Press Photo)

## Moonlighting Is No Job Killer

Some 3.7 million Americans hold more than one job, but prohibition of "moonlighting" would not significantly reduce the number of unemployed, a University of Michigan business economist suggests.

Prof. Ross J. Wilhelm of the U-M Graduate School of Business Administration cites a U.S. Department of Labor survey which reveals that one-third of the moonlighters are self-employed in their secondary jobs, and that few of the unemployed persons have the skills, experience, and other requirements to fill such jobs.

"A second fact that upsets the conclusion that moonlighters are depriving the unemployed of jobs is that the typical moonlighter only works part time on his second job," Wilhelm adds. "The survey shows that the average dual job holder works only 13 hours at his second job during the survey week. Typically, the unemployed look for full time work."

"A third fact is that it appears that moonlighters have qualifications which are relatively scarce among the unemployed. For example, men 35 to 44 years of age had the highest rate of moonlighting, and this age category had the lowest unemployment rate."

Farmers, who have the highest proportion of multiple job holders (10 per cent), find much of their secondary employment in nearby agricultural communities—far removed from the usual centers of unemployment in the cities. And many of the secondary jobs for people in other occupational groups are in agriculture, also removed from the geographical location of the unemployed.

Men are the dominant moonlighters in almost every occupational group. Among elementary and high school teachers, 16.5 per cent of the men had more than one job—a rate five times that of the women.

"The principal reason why persons will take more than one job seems to be the need for additional money," Wilhelm says. "Almost nine out of

## Victory Noll Sisters, Garden, Honored At Tea

GARDEN—A tea, honoring the Victory Noll Sisters of the Catechetical Center at Garden, was held at the Fayette Town Hall Sunday afternoon. Mothers of the children in the catechetical classes conducted by the Sisters were hostesses for the event.

Parents, children and friends attended and enjoyed a social hour. Refreshments were served from a table brightened by spring bouquets.

A gift was given the Sisters in appreciation of their efforts on behalf of the children of the parish. A spiritual bouquet was also presented to be forwarded to Sister Mary Monica who returned to the Mother House in Huntington, Ind., at Easter time

where she is recovering from a back injury.

### Kindergarten Exercises

Members of the kindergarten class of the Garden grade school will graduate Sunday night, May 23. Exercises will begin at 7:30 at the Community Building under the direction of Mrs. Eva Boudreau, K.G. teacher.

Donald Killoran returned from Ann Arbor where he accompanied his wife who had surgery at University Hospital last week. Mrs. Killoran is expected to return home in two weeks. Her address is University Hospital, Room 7 East.

Harry DeVet is a patient at Schoolcraft Memorial Hospital where he had surgery Monday.

The king or queen can never enter the House of Commons in England.

## Cain Confirmed

WASHINGTON (AP) — The Senate Wednesday confirmed the nomination of Stanley A. Cain of Michigan to be assistant secretary of the interior for fish and wildlife.

President Eisenhower was the only U.S. president to have a pilot's license.

## In This Corner

with Ray Crandall

Gary Vandeville, Escanaba's outstanding junior track star, matched the all-time school record for the 220 yard dash when he cruised the distance in 23.5 seconds in the Class A-B regional meet here last weekend. . . . The school record was set 30 years ago by Dick Carleton.

One of three records broken in the College Conference of Illinois track meet at Rock Island recently was the pole vault mark of 12 feet 8 inches which was set in 1963 by former Escanaba athlete Ward Thompson. . . . Jim Ogan, Augustana freshman, soared 13 feet 1 1/4 inches.

The Michigan High School Athletic Association has announced a schedule of six football rules meetings to be held this fall in the Upper Peninsula. . . . Included is a session at Escanaba Aug. 27. . . . Other meetings are slated for Ishpeming Aug. 23, Houghton Aug. 24, Wakefield Aug. 25, Iron River Aug. 26 and Rudyard Aug. 31.

This seems to be the year for outstanding quarter miler in Upper Peninsula high school track ranks. . . . Among the best is Ken Berg of Marquette, defending U.P. Class A-B champion. . . . He tuned up for the finals at Houghton this week with a fine 53.5 clocking in a dual meet against Gwinn, which the Redmen won by one point, 55-54.

How do you figure this one? . . . Iron Mountain, after finishing last in a field of five teams in the Great Northern Conference tennis meet at the Menominee Riverside Club, won the Menominee Range Conference meet at the Pine Grove Club, topping a field of six schools. . . . The Mountaineers came in with 458 strokes to runnerup Kingsford's 464. . . . Low individual scorer for the Mountaineers was Dave Beaste with an 85.

Main speaker at the Soo Tech all sports banquet Thursday, May 27, will be Daniel R. Rose, athletic director at Central Michigan University. . . . Rose is a former All-America basketball player at the University of Michigan and has been associated with Central's athletic program since 1937.

Carl Lemm, Felch High School basketball coach and one of the top softball chukkers in the Upper Peninsula, got off to an impressive start this spring. . . . In his debut on the Iron Mountain Credit Union mound, Lemm fired a two hitter and fanned 11 batters in a 2-1 victory over First National Bank.

The fastest 100 yard dash time recorded by an Upper Peninsula prepster this spring was a 10.15 clocking credited to Ray McDonald of L'Anse. . . . The Hornet speed merchant ripped off a 23.7 time in the 220 and leaped 20 feet 1 inch in the broad jump. . . . L'Anse is a Class C school.

Ralph Runge of Daggett rolled a 643 series to take top honors in the Daggett Bowling Association tournament staged at Wimpy's Lanes. . . . Gerald Rhodes took the all events crown with 1863 pins and Ralph Paulson and Larry Mulzer the doubles with 1224. . . . Linsmeier's took the team crown.

## Minnesota Twins Talking Trade With Kansas City

By The Associated Press

The Minnesota Twins are talking trade, apparently in an effort to bolster their relief pitching.

The Los Angeles Angels would like to know why.

The Angels saw four Minnesota relievers Wednesday night but not too many of their pitches, collecting only two hits in 7-2-3 innings as the Twins swept a doubleheader 3-1 in 12 innings and 3-1.

Before the twin bill, Twins' President Cal Griffith revealed that he had been discussing a trade with Kansas City.

The Twins, naturally, would like to get a top reliever of

the caliber of Kansas City's John Wyatt, but that four-man relief parlay they threw at the Angels in the opener got the job done about as effectively as it can be.

Dave Boswell, the Twins starter, allowed only two hits and then Jerry Fosnow, Al Worthington, Bill Pleis and Dick Stigman went him one better by holding the Angels to one hit over the final six innings.

Then, in the nightcap, Jim Grant needed help, so Worthington came on again and allowed just one hit over the last 1-2-3 innings.

It was a pitchers' night all around the American League with Cleveland's Sam McDowell checking Baltimore 2-0 on three hits, Detroit's Denny McLain stopping Washington 4-0 on four hits, Boston's Jim Lonborg allowing only four in a 3-0 victory over the New York Yankees and

### Minor League Workbee Set

A workbee will be held Friday, starting at 6:30 p.m., at the Minor League baseball field located at the John Lemmer School site.

Parents of Minor League players and any other interested persons are asked to assist in the work session.

## Pickford Is Track Power In U.P. Class D Circles

By RAY CRANDALL  
(Press Sports Editor)

If there is any doubt that Pickford will capture its 14th straight Upper Peninsula Class D track championship at Houghton Saturday, a glance at the comparative results from the four regional meets staged last weekend will quickly clear the picture.

Coach Web Morrison's Panthers dominate the Class D scene to an extent that is almost unheard of in high school athletics.

Pickford athletes already own seven of the 13 Upper Peninsula Class D records. Their string of 13 consecutive Peninsula championships is unparalleled in the history of the sport in this region.

Last Saturday the Panthers flexed their muscles in a regional meet on their own track and overwhelmed their opposition with 108 points to 38 for runnerup DeTour. No fewer than 21 Panthers qualified for the finals, many of them in more than one event.

Five Panther performances were better than the existing Upper Peninsula records:

1—Roger Hewer stepped the high hurdles in 15.7 seconds.

2—Hewer skimmed the lows in 21.2.

3—Bob Huyck ran the 440 in 52.3 seconds.

4—The half mile relay team was timed in 1:35.3.

5—The mile relay team was clocked in 3:45.4.

Looking at it another way, four of those five performances were equal to or better than the best efforts of the Class A-B athletes in Saturday's regional tests. In fact, the Class D athletes matched or bettered the top marks of the Class A-B athletes in eight regional events.

Here's another way of viewing Pickford's superiority. The Panthers turned in the best Class D performances in 10 of the 13 events in their regional meet.

One of the few events in which Pickford was unable to produce a top performer was in the mile. Tom Teeple of Per-

kins earned that distinction with a 4:44.2 effort in the Escanaba regional.

Dave Bolm of Bark River-Harris also topped all competitors in his specialty, heaving the shot put 44 feet 8 inches.

Following are the winning performances in the regionals, followed by the U. P. record in each event:

100-yard dash—Bruce Reamer, Pickford, 10.4; Don Johnson, Nahma, 11.2; Phil Hellmer, Painesdale, 11.4; Charles Dillon, Republic, 11.5. Record 10.2

220-yard dash—Bruce Reamer, Pickford, 24.1; Dick Forslund, Rapid River, 25.1; Phil Hellmer, Painesdale, 25.2; Charles Dillon, Republic, 26.3. Record 23.0

440-yard dash—Bob Huyck, Pickford, 52.3; Chuck Bennin, Pickford, 54.9; Pat Larrabee, Rapid River, 56.5; Pat Wisniewski, Painesdale, 56.5; Dave Ovist, Baraga, 56.6; Lonnie McPhee, Garden, 57.2; Dick Isaacson, Republic, 57.3; Carl Smith, Channing, 57.6. Record 52.8

880-yard run—Paul Adams, Pickford, 2:04.3; Mike Kulack, Rock, 2:10.4; Jim Gray, National Mine, 2:10.6; Larry Harrison, Pickford, 2:11.0; Wilfred LaBresh, Garden, 2:14.6; John

Koski, Ewen, 2:16.8; Bob Francis, Ewen, 2:17.5. Record 2:03.6

Mile run—Tom Teeple, Perkins, 4:44.2; John Stano, Ironwood St. Ambrose, 4:52.3; John Krzycki, Pickford, 4:57.5; Glen Lockhart, Trenary, 5:10. Record 4:41.3

High hurdles—Roger Hewer, Pickford, 15.7; Paul Feak, Channing, 16.5; Don Saxon, Garden, 17.7; Carl Mowl, Ewen, 17.8. Record 15.75

Low hurdles—Roger Hewer, Pickford, 21.2; Don Saxon, Garden, 22.2; Paul Feak, Channing, 23.3; Dave Cossi, Ironwood St. Ambrose, 23.7. Record 21.3

Shot put—Dave Bolm, Bark River, 44 feet, 8 inches; Paul Warner, DeTour, 43-11; Andy Freberg, Eben, 42-5 1/2; Dave Ovist, Baraga, 40-1 1/2. Record 46-6

Pole vault—Neil Harrison, Pickford, 11 feet, 10 inches; Pete LeClair, Baraga, 11 feet; Phil Hartman, Cooks, 10-6; Paul Feak, Channing, 10 feet. Record 11-8

High jump—Dan Dutcher, Cedarville, 5 feet, 10 inches; Rod Lucas, Garden, 5-7 1/2; Pete LeClair, Baraga, 5-4; Kim Peterson, Trenary, 5-4. Record 5-11 1/2

Broad jump—Dave Hanna, Pickford, 21 feet, 1 3/4 inches; Dick Forslund, Rapid River, 18-7 3/4; Ted Wisniewski, Painesdale, 18-6; Bob Frey, Channing, 17 feet. Record 20-10 1/4

Half-mile relay—Pickford, 1:35.3; Channing, 1:41.4; Garden, 1:41.7; Ironwood St. Ambrose, 1:43.3. Record 1:35.7

Mile relay—Pickford, 3:45.4; Rock, 3:53.8; Baraga, 3:54.3; Channing, 3:59.4. Record 3:42.8

## Detroit Bench Comes Through

DETROIT (AP) — A baseball team is as good as it's bench and the Detroit Tigers, for one game at least, found it has a pretty good one.

Acting manager Bob Swift had to make a number of changes Wednesday night when a number of key starters reported with assorted aches and pains.

The reserves performed flawlessly behind Denny McLain, who hurled a three-hitter and set down the Washington Senators, 4-0.

Jim Northrup played right field in place of Al Kaline, who injured his wrist while trying to make a catch Tuesday night. He told Swift he had trouble swinging the bat in hitting practice.

George Thomas was in center for the injured Don Demeter, who in turn played the last three innings at first base after Norm Cash bounced two foul balls off his right foot.

Jerry Lumpe had a bruised shin and Jake Wood took over for him at second.

Actually, McLain needed little help as he turned in the finest pitching performance by a Tiger this year.

"I guess I'm back in the

groove," McLain announced, sipping his third bottle of pop. "And it sure feels good."

The 21-year-old youngster said a two-inning relief appearance in Boston over the weekend got him back on the right track.

McLain helped himself on his way to his first major league shutout when he singled in the fifth inning to drive in Don Wert with the second Detroit run.

The Tigers were without a hit through the first four innings against Washington starter Benjie Daniels. George Thomas got the first hit and Wert followed with a single which scored Bill Freehan, who had walked.

McLain's hit came after he missed the ball on an attempted squeeze play and Thomas was tagged out.

Errors by catcher Joe McCabe and outfielder Woodie Held gave the Tigers their final runs in the seventh. McCabe threw the ball into the right field bullpen while trying to pick Wert off first, allowing Freehan to score from second.

Wert scored when Held threw wide of the plate after catching a fly by McLain.

The Tigers picked up only five hits, two of them singles by Wert.

Washington . . . . . 000 000 000—0

Detroit . . . . . 000 020 20x—4

## Prep Golfers Seek Honors

MANISTIQUE—A field of 18 schools will compete in the annual Upper Peninsula high school golf meet to be staged Saturday at the Indian Lake Golf and Country Club.

William J. Cook, Manistique High School athletic director, will serve as meet manager.

Action will begin at 9:45 a. m. and golfers will play their second nine in the afternoon.

Defending champion is Iron Mountain, winner last year in 340 strokes at Menominee. Ishpeming was the 1964 runnerup.

In addition to those schools, teams are entered from Marquette, Baraga, Gladstone, Manistique, Newberry, Ironwood St. Ambrose, Crystal Falls, Holy Name, Menominee, Norway, St. Ignace, Escanaba, Houghton,

### Crusaders Top IM Net Squad

The Holy Name Crusaders defeated Iron Mountain 4-2 in tennis action Thursday.

Individual results:

Steve Wood beat Randy Al-

quiste 6-3, 6-2

Yazzie 3-6, 8-6, 6-3

John Way-Jim Anderson lost

to Tom Kuhn-Don Roberts 3-6,

2-6

Roger Gavan-Dan Villeneuve

defeated Bob Brisson-Claude

Dyer 3-6, 6-1, 6-2

## Butler Pitches No-Hit Victory

In addition to his near-perfect night on the mound, Butler was flawless at the plate with four hits in four trips.

Wally Flath had three for four, Norm Butler two for three and Tom Moreau stroked a three run homer for the Paper Makers. Ron and Billy Smith shared the Flat Rock pitching chores.

In the opener last night Hall Insurance downed Bero Motors 11-8 with a 13 hit attack. Six hits and a walk in the final frame brought Hall from a three run deficit.

Jim Bourdeau went the distance for Hall and Dale Binner chucked for Bero's.

### Eben To Host Cage Tourney

EBEN — School officials today announced that a Holiday basketball tournament will be staged here during the Christmas vacation.

Seven teams entered include Eben, Cooks, Garden, Perkins, National Mine, Marquette Baraga and Rock. An additional team will be accepted. Any school interested may contact Jim Dewep at the Eben High School.

Tournament games will be played Dec. 27, 28 and 30.

### Wednesday Results

Tod Butler put the first no-

hit, no-run pitching performance into the Escanaba Softball

League record book for 1965,

firing the gem against Flat

Rock in the Wednesday night-

cap at Memorial Field.

Butler moved down 11 Flat

Rock batters on strikeouts and

granted two bases on balls in

the 14-0 victory. Two enemy

base runners gained life on

Mead errors.

## Dodgers Retain First Place In National Loop

By The Associated Press

Ron Fairly, a clean-up hitter by default, is beginning to look like a natural for the role.

The young Los Angeles Dodgers veteran, who inherited the No. 4 spot in a lightweight batting order when Tommy Davis fractured an ankle three weeks ago, broke up a 14-inning duel at Houston Wednesday night with his fourth hit, a two-run homer that gave the National League leaders a 4-2 victory over the Astros.

Fairly drove in the first Dodger run with a single and scored the tying run in the eighth while lifting his batting average 17 points to .289 and taking the club RBI lead with 18.

The 26-year-old outfielder-first baseman, a semi-regular at Los Angeles for five full seasons, followed Willie Davis' two-out single in the 14th with a shot into the Astrodome's right-field seats off reliever Ken MacKenzie.

Don Drysdale then made his first relief appearance of the year to end a Houston threat in the bottom of the inning and keep the Dodgers 3 1/2 games up on Cincinnati in the young National League race.

The Reds beat Pittsburgh 3-1 on eighth-inning homers by Deron Johnson and Don Pavletich; Milwaukee downed the New York Mets 7-5 behind a 15-hit attack led by Joe Torre and St. Louis rallied for two runs in the ninth to nip Philadelphia 7-6 in NL night action.

Ernie Banks' two-run single

carried the Chicago Cubs and right-hander Bob Buhl to a 2-1 nod over San Francisco in the only afternoon game.

Fairly, who had ended Astro pitcher Ken Johnson's no-hit bid the previous night with a seventh-inning double, capped Wednesday night's Los Angeles comeback with his fifth home run. He had doubled in the eighth and scored the tying run on Lou Johnson's single, which kayoed Astro starter Dave Giusti.

Drysdale replaced winning pitcher John Purdin in the 14th with two on and struck out Joe Morgan to end the marathon.

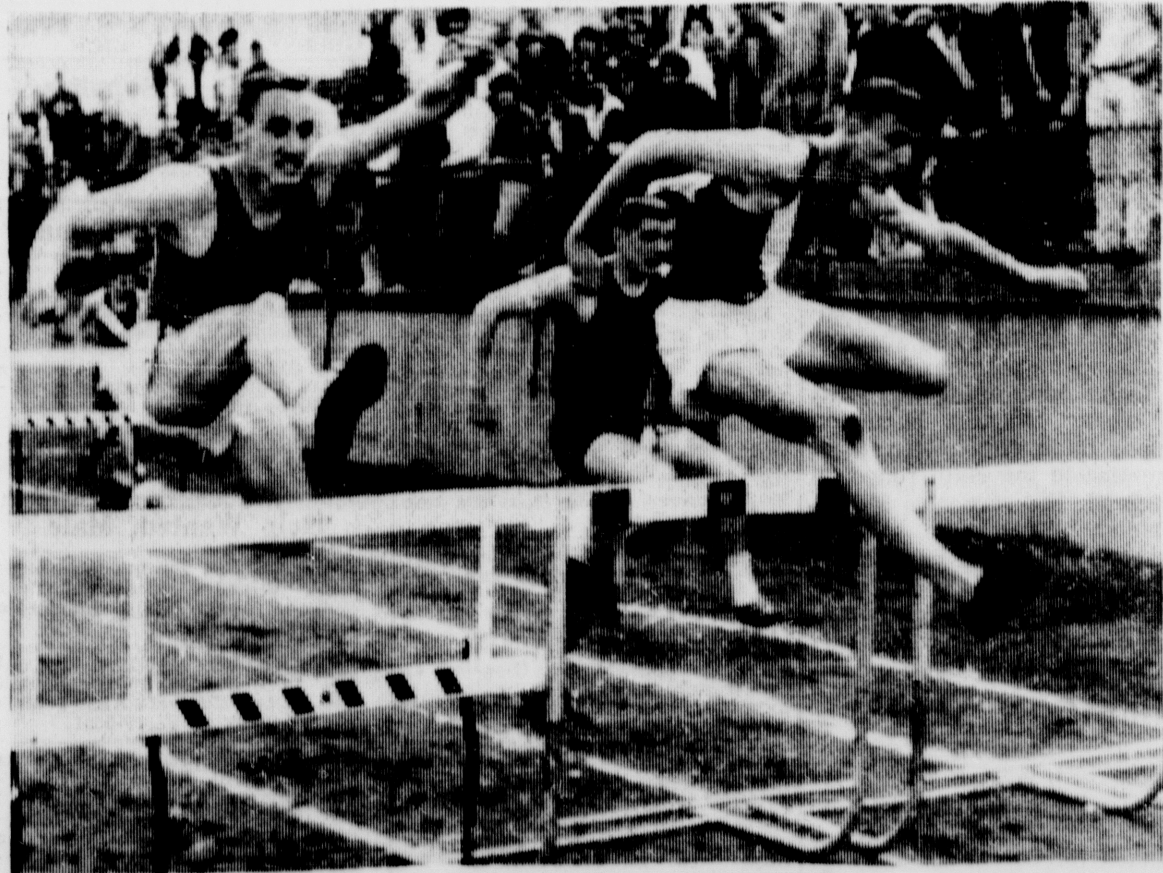

Pittsburgh's Joe Gibbon was leading 1-0 and had allowed only one hit when Cincinnati's Johnson led off the eighth with his sixth homer. Tony Perez singled and Pavletich cracked his fourth homer for the Reds' winning margin.

The victory went to reliever Bill McCool, who took over for Jim Maloney in the seventh.

Torre hit his ninth home run, a double and a single as the Braves made right-hander Bob Sadowski's first appearance since April 29 a breeze.

Dick Groat's two-out single in the ninth scored Lou Brock with the winning run at St. Louis. Ken Boyer's sacrifice fly had tied the score against reliever Ed Roebuck.

Home runs by Tim McCarver in the sixth and pinch-hitter Phil Gagliano in the seventh pulled the Cardinals within striking distance after the Phillies had broken in front 5-2.

RICK EBBESEN, right, of Gladstone and sophomore Jim Boyle of Escanaba are shown in action in one of their high hurdle duels. The Gladstone timber stepper edged Boyle in this race in the Class A-B regionals here last week. Both qualified for Saturday's Upper Peninsula finals at Houghton, as did Holy Name's Mike Kidd, visible in the background behind Ebbesen. (Daily Press Photo)

**CITY OF ESCANABA DELTA COUNTY, MICHIGAN**  
RESOLVED BY THE CITY COUNCIL OF THE CITY OF ESCANABA:  
WHEREAS, the Charter of the City of Escanaba was adopted more than 40 years ago, and in the creation of the Michigan Public Service Commission, and prior to the introduction of natural gas into the State of Michigan through interstate pipe lines; and  
WHEREAS, the provisions of Chapter VII of the Charter of the City of Escanaba, which relate to the granting of franchises to public utilities and regulation of the rates, charges and conditions of service of public utilities, have never been amended to provide for the granting of revocable type franchises or to permit regulation of the rates, charges and character of service of such utilities by the Michigan Public Service Commission when deemed desirable by the City Council;  
AND WHEREAS, the Michigan Public Service Commission has a large and competent staff of experts possessing many years of experience in the highly complex and technical field of utility rate fixing, accounting and regulation of integrated natural gas companies providing statewide service; and  
WHEREAS, it is in the best public interest to amend the Charter of the City of Escanaba so as to make provision therein for the granting of revocable type franchises to public utilities operating in the City of Escanaba and to permit regulation of the rates, charges and character of service of such utilities by the Michigan Public Service Commission when deemed desirable by the City Council;  
NOW, THEREFORE, BE IT RESOLVED That the Council does hereby propose that Chapter VII of the Charter of the City of Escanaba be amended to read as follows:  
SEC. 1. Public utility franchises and all renewals, extensions thereof and amendments thereto, shall be granted by ordinance only. No exclusive franchise shall ever be granted for a longer period than thirty years.  
SEC. 2. No franchise ordinance which is not subject to revocation at the will of the City Council shall be enacted nor become operative until the same shall have first been referred to the people at a regular or special election and received the affirmative vote of three-fifths of the electors voting thereon. No such franchise ordinance shall be approved by the City Council for referral to the electorate before thirty days after application therefor has been filed with the City Clerk nor until a public hearing has been held thereon, nor until the grantee of the franchise has agreed to the City Clerk his unconditional acceptance of all terms of such franchise. No special election for such franchise shall be ordered unless the expense of holding such election, as determined by the City Council shall have first been paid by the Treasurer by the grantee.  
SEC. 3. A franchise ordinance or renewal or extension thereof or amendment thereto, which is subject to revocation at the will of the City Council may be enacted by the City Council without referral to the voters, but shall not be enacted unless it shall have been complete in the form in which it is finally enacted and shall have been on file in the office of the City Clerk for public inspection for at least ten (10) days after publication of a notice that such ordinance is so on file.  
SEC. 4. All public utility franchises, whether it be so provided in the granting ordinance or not, shall be subject to the following right of the City, but this enumeration shall not be exclusive or impair the right of the City to use all or any part of the following provision within the powers of the City to impose or require:  
(a) To repeal the same for misuse or nonuse or failure to comply with the provisions thereof;  
(b) To require proper and adequate extension of plant, lines and maintenance thereof, in accordance with the rules and regulations promulgated or approved by the Michigan Public Service Commission, or its successor;  
(c) To require reasonable standards of service and quality of products and prevent unjust discrimination in service or rates as prescribed by the Michigan Public Service Commission, or its successor;  
(d) To use, control and regulate the use of its streets, alleys, bridges and other public places and the space above and beneath them.  
SEC. 5. Every public utility, whether it has a franchise or not, shall pay such part of the cost of improvement or maintenance of streets, alleys, bridges and other public places as shall arise from its use thereof and shall protect and save the City harmless from all damages arising from said use. Every public utility may be required by the City to permit joint use of its property and appurtenances located in the streets, alleys and other public places of the City by the City and other utilities insofar as such joint use may be reasonably practicable and upon payment of reasonable rental therefor. In the absence of agreement and upon application by any public utility, the City Council shall provide for arbitration of the terms and conditions of such joint use and the compensation to be paid therefor and the arbitration award shall be final.  
SEC. 7. All franchise to which the City of Escanaba Special Election is hereby directed to be held on Tuesday, June 1, 1965 for the purpose of submitting to the qualified electors of the City of Escanaba the proposition of approving said amendment to the City Charter; and  
BE IT FURTHER RESOLVED, That the City Clerk shall give notice, in the manner provided by law, of the time and place of holding said Special Election and

of the question to be voted upon; and  
BE IT FURTHER RESOLVED, That the City Clerk shall cause the two copies of the Charter amendment to be published in full in the Escanaba Daily Press, a newspaper of general circulation in the City of Escanaba, not later than ten (10) days prior to June 1, 1965, and that there shall be published with such proposed Charter amendment the full text of existing Charter provisions which would be altered or abrogated thereby; and  
BE IT FURTHER RESOLVED, That the City Clerk shall cause the ballots for said Special Election to be prepared in such manner as to designate the purpose of such proposed Charter amendment in the following language:  
"Shall Chapter VII of the City Charter be amended by repealing Sections 1 through 7 thereof except Section 4 and by adding Sections 1 through 3 and 5 through 7; to provide for the granting of both irrevocable and revocable type public utility franchises; to provide for the regulation of rates, charges and conditions of service of public utilities; and to provide for the joint use by public utilities of facilities installed by them in the streets and other public places."  
BE IT FURTHER RESOLVED, That the City Clerk is further directed to forthwith submit the foregoing language to the Attorney General of the State of Michigan for his approval prior to the printing of ballots for said Special Election, in accordance with the statute in such cases made and provided, and to submit said proposed Charter amendment to the Governor of the State of Michigan for approval by him prior to the submission of such Charter amendment to the electors of the City.  
I do hereby certify that the above is a true and correct copy of a Resolution unanimously adopted by the City Council of the City of Escanaba, Michigan, at a special meeting held on March 26, 1965, and that the same was duly signed and sealed by the City Clerk of the City of Escanaba on this first day of April, 1965.  
SIGNED Donald J. Gumbon  
City Clerk  
16929 — May 20

**Wings Trade Pronovost For Andy Bathgate**  
DETROIT (AP)—The Detroit Red Wings today traded veteran defenseman Marcel Pronovost and four other players to the Toronto Maple Leafs for three forwards, including the high-scoring veteran Andy Bathgate.  
It was the National Hockey League's biggest trade of the year.  
Besides Pronovost, the Red Wings gave up forwards Larry Jeffrey and Ed Jovan of the NHL club and forward Lowell MacDonald and defenseman Art Erickson of their Pittsburgh farm club.  
Along with Bathgate, Detroit got forwards Billy Harris and Gary Jarrett, the latter a rookie from Toronto's farm club at Tulsa.

**Tiger Tales**  
DETROIT (AP)—The Tigers made a move to bolster a sagging pitching staff by bringing up two hurlers from their Syracuse farm team Wednesday.  
Righthander Jack Hamilton was recalled, while southpaw Ron Nischwitz was purchased from the Chiefs.  
To make room for the two, pitcher Ed Rakow and infielder George Smith were optioned to Syracuse.  
Hamilton posted a 3-1 record and 0.92 earned run average in five games. He pitched three complete games.  
Nischwitz, who hurled for the Tigers in 1961-62 before being traded to Cleveland, was 2-2 with a 2.24 ERA. Both of his victories were shutouts.  
Acting manager Bob Swift said the Tigers could afford to part with Smith and Rakow had failed to live up to expectations.

Tiger Favored To Beat Carter

NEW YORK (AP)—Nigeria's aging Dick Tiger is a 12-5 favorite to whip Robin Carter in a 10-round battle of middleweight contenders at Madison Square Garden tonight.  
The 35-year-old Nigerian and the 28-year-old slugger from Paterson, N.J., do have a couple of things in common. Both lost in close title fights to middleweight champion Joey Giardello and the two are burning to get another shot at the reluctant 160-pound ruler.  
The winner may get a crack at pal Joey if former champion Sugar Ray Robinson or No. 1 contender Joe Archer don't get the chance first.  
Tiger has been made the betting choice over the fierce-looking Jersey because of his superior boxing skill and stronger punching with both hands.  
In his only outing this year, the stocky, former champion stopped flabby Rocky Rivero of Argentina in the sixth round on March 26. His record is 50-14-3, including 24 knockouts.  
Carter, 3-2 for the year, has a 23-7 record, including 16 knockouts. He has been stopped once, by Joe Gonzalez two years ago.

Michigan Scores

**CITY OF ESCANABA DELTA COUNTY, MICHIGAN**  
PRESENT CHARTER CHAPTER VII FRANCHISES  
SEC. 1. The power to grant public utility franchises, rights or privileges, and to renew, extend or alter the same, shall be exercised by ordinance, to be adopted by a four-fifths vote of the members of the City Council, and to be approved by a three-fifths vote of the electors of the city voting thereon.  
SEC. 2. Such grant shall be exercised according to the conditions and limitations contained in this Chapter and in the constitution and laws of the State, and every grant, extension, renewal, alteration or amendment of any franchise which shall not conform to such limitations and conditions, shall be void.  
SEC. 3. The ordinance shall provide:  
(1) For a reasonable compensation for the value of the franchise, to be paid by the grantee to the city.  
(2) For the sharing with the city of the excess profits of the grantee, after deducting from its receipts all operating expenses, including the reasonable compensation of the grantee, as provided, and a reasonable profit to the grantee, the amount, time and manner of payment of which shall be specified.  
(3) The maximum rate or rates for the services to be rendered by the grantee shall not be less than the rate or rates provided for the same by the City Council, in each five years after the grant is made, provided that no such rate shall be reduced so that the earnings and income of the grantee from the operation of its franchise shall not pay a fair and reasonable return upon the cash value of the property actually used in the operation of such franchise.  
(4) That the grantee shall keep a just and accurate account of the receipts and operating expenses in the operation under such franchise, and also a just and accurate account of the receipts and operating expenses of the grantee, and shall submit the same annually to the City Council, on blanks to be provided or approved by the City Council, and the City Council may, at its option, cause the same to be audited by a person appointed by the City Council or person so appointed.  
(5) That if it shall seem to the City Council at any time that the charges for operating expenses are unreasonably great, and by reason thereof or of the methods or course of operation of the business under such franchise, the profits are unduly or unjustly diminished, the City Council may, at its option, cause the same to be audited by a person appointed by the City Council or person so appointed, and that transcripts of the same, in whole or in part, may be made by the City Council or person so appointed.  
(6) That if it shall seem to the City Council at any time that the charges for operating expenses are unreasonably great, and by reason thereof or of the methods or course of operation of the business under such franchise, the profits are unduly or unjustly diminished, the City Council may, at its option, cause the same to be audited by a person appointed by the City Council or person so appointed, and that transcripts of the same, in whole or in part, may be made by the City Council or person so appointed.  
(7) That it may require reasonable extension of service and may establish the standard thereof.  
(8) For the submission to the Michigan Public Utilities Commission or to some other impartial arbitrator of any question on which the grantee and the city are unable to agree, concerning rates or charges for services and character of service.  
(9) That the city may repeal the ordinance and terminate all rights contained therein for the violation thereof by the grantee.  
(10) That the city may make such other reasonable regulations as may be necessary for the public welfare.  
(11) That the city may acquire from the grantee the utility in question, upon the payment thereof of its fair value, to be agreed upon by them, if possible, and that if they cannot agree the valuation shall be determined by condemnation.  
SEC. 4. No exclusive franchise shall be granted, and no franchise shall be granted for a longer period than thirty years, and where several franchises are granted through one grantee, all shall expire at the same time. If the grantee shall hold several franchises which expire at different times, the Council shall not extend any for a longer period than the one last to expire.  
SEC. 5. If any grantee shall continue to operate any public utility after its franchise shall have expired, the grant shall nevertheless be subject to all the terms and conditions of the franchise as long as it continues to operate, but the time of the franchise shall not be thereby extended nor the cessation of such operations be thereby cancelled.  
SEC. 6. The word "grantee" shall be deemed to include the immediate grantee and all successors and assigns of the grantee.  
SEC. 7. No franchise shall be submitted to the electors within sixty days after its adoption by the Council nor until it has been accepted by the grantee.  
16929 — May 20

**ALL FURNISHED Cottage** on Escanaba River with 100' frontage, includes lights. Good deal. Phone ST 6-8194. Call daytime only.

## Brooklyn Store Roof Collapses

NEW YORK (AP) — "All of a sudden, it was like a bomb fell down," says the meat-section manager who was serving customers when the roof of a Brooklyn supermarket collapsed and rained tons of concrete slabs and plaster debris onto customers and clerks.

The manager, Sam Kinker, 61, and his four women customers fled through one of the broken windows.

Twenty-three persons — mostly women shoppers — were injured. Most of them were treated at hospitals. Four were admitted.

Police, firemen and residents of the neighborhood pulled several victims out from under chunks of concrete.

"It's a miracle no one was killed," Fire Commissioner Martin Scott said after inspecting the ruins of the Food Queen Supermarket in the Bensonhurst section Wednesday.

Mary Rossi, a shopkeeper on the other side of the street, said: "My God, it was awful. I was standing in front of my store when the roof seemed to blow up right in front of me."

"The windows blew into the street and women and children ran out."

Other witnesses told of seeing hysterical women and children running from the store.

About 50 customers — mostly women and children — and 13 employees were in the store when the roof collapsed.

Firemen today completed removal of debris from the store and said no one had been found trapped or dead.

## New York Police Get New Boss

NEW YORK (AP) — Vincent L. Broderick, 45-year-old assistant U.S. attorney, is the new head of the largest city police force in the nation.

Broderick was named commissioner of the 27,000-man New York City force Wednesday by Mayor Robert F. Wagner. He replaces Michael J. Murphy, who resigned Tuesday to enter private investigative work.

## State Briefs

FLINT (AP) — Unemployment in Genesee and Lapeere counties sagged to 1.1 per cent of the labor force in mid-April to eclipse a previous low of 1.5 recorded last September and December. The Michigan Employment Security Commission reported only 1,900 out of a labor force of 168,000 idle in mid-April in the two counties. A year ago the unemployment percentage was 1.6.

HOLLAND (AP) — Freshman State Sen. Harold Volkema, R-Holland, has been admitted to Holland Hospital for "at least a week of complete rest" after becoming ill Tuesday night at Lansing. The nature of his illness was not disclosed, but associates said it appeared Volkema was suffering from extreme fatigue.

DETROIT (AP) — Jerald Jacquard, 28, a teacher at Kalamazoo Institute of Arts, won the Founders Society purchase prize Wednesday at the 55th annual Michigan Arts Exhibition. Jacquard, who studied at Michigan State University, won with a bronze sculpture, "Silent Defenders." He also won the Art Directors Club prize of \$100 for another sculpture.

COMING!

THEN AND NOW—Out of Mississippi in 1958 came a wholesome, freckle-faced youngster named Mary Ann Mobley. Her talent, personality and dazzling smile carried Mary Ann to the pinnacle of all beauty contest aspirants—Miss America 1959. At left. Now, seven years later, Mary Ann shows great promise as an actress. More beautiful these days, if possible, she appears more mature, right, with an acquired sultry-eyed look which is having the desired impact on film fans. Beneath the Hollywood facade, however, Mary Ann says: "I see the real me—freckles and all."

## Dishwasher Is Clean, Quick

"By the time I scrape, pre-rinse and stack the dishes in an automatic dishwasher, I could do the whole thing by hand," Right?

Wrong. Granted, there was a time when automatic dishwashers demanded more preparation of dishes prior to washing, but even that's been eliminated now. A recent survey showed that this modern kitchen servant saves the homemaker an average of one to two hours every day. And it does far more:

1. Hygienically clean dishes washed in super-heated (140-180 degree) water for maximum health protection.
2. Larger-than-ever capacity to handle all utensils and a complete dinner service for as many as 12 or 14 persons.
3. Cabinets that roll out for easy and safe loading of even the most delicate china and glassware.
4. Multi-cycle action that washes away every type of food soil—from film on glasses to drippings baked on broiler racks.

One of the features about automatic dishwashers that especially appeals to homemakers is the fact that when the dishes are removed, the tub itself is completely and hygienically clean. All traces of food particles, even of the detergents, are gone.

Plumbing contractors sell dishwashers and are glad to handle the complete installation job. They can provide time-payment financing, if desired.

## Chalkboards On Walls Add Play Space To Room

Wall chalkboards which form a wainscot in a small child's room provides both educational play space for the youngster and minimize decorating costs.

Use four foot wide tempered hardboard for the wainscot. Finish the panels with green or black chalkboard paint. The hardboard panels are installed right over the old wall with an adhesive or nails driven into the wall studs. Eventually, when the child no longer uses the chalkboard, the hardboard can be redecorated. It is extremely durable and won't be affected by scuffs and bumps.

Before applying the chalkboard paint, finish the hardboard panels with two coats of clear sealer. Then apply a thick coat of the slating material and when it is dry, rub down with a clean cloth.

## Mrs. Phil Armour Robbed Of Gems Worth \$100,000

LAKE FOREST, Ill. (AP) — Police reported three robbers forced their way into the home of Mrs. Philip D. Armour today, forced her to disclose the hiding place of her jewels and fled with an estimated \$100,000 worth of loot.

Mrs. Armour, whose late husband was a member of the family that founded Armour & Co., meat packers, said the robbers awakened her in her second-floor bedroom and warned her to remain quiet.

She said they told her she would not be hurt if she disclosed where her jewelry was kept.

Mrs. Armour said she led them to a dressing room adjoining her bedroom where two of the men carefully selected only the most valuable pieces from her jewel collection.

She said the three men fled after warning her against sounding an alarm until they had made their escape. Three maids, a butler, a chauffeur and a gardener, sleeping in another wing of the mansion, were unaware of the robbers' presence.

## Bulletin Gives Advice On Care Of New Lawns

Some lawns will be going in again this spring where new homes have been built during the past year. The cost can be great and usually is where top soil has to be brought in to cover the sand.

After spending many dollars for soil it is poor judgment to go looking for cheap lawn seed that may have poor quality seed making up a greater part of the mixture. Two of the most desirable lawn grasses are Kentucky bluegrass, and a fine leaved Fescue. It's possible to find other grasses in a seed mixture that are coarse in nature and make poor lawns.

Read the label over very carefully. It may mention some of the grasses that are desirable but it may only be a small percentage of the total amount. For people confronted with putting in a lawn we would suggest asking for Michigan State University bulletin F-211. This bulletin is yours for the asking by calling ST 6-2022 or stopping in at the Extension office at the County Building.

## Top Education Post Filled

LANSING (AP) — The State Board of Education Wednesday announced the appointment of Alexander Kloster, deputy superintendent for administration, as acting state superintendent of public instruction.

The appointment will become effective June 30 when the present superintendent, Dr. Lynn Bartlett, leaves to take a post as deputy secretary of defense for manpower.

Thomas Brennan, president of the Education Board, said the appointment was made "to assure a smooth transition" until a superintendent is named to succeed Bartlett.

The Education Board has announced a nationwide search for an appointee to fill the post, currently scheduled to pay \$30,000 a year.

Kloster, of East Lansing, was budget director for Detroit Public Schools prior to his appointment to the deputy post in July, 1963.

## Cairo Wreck Fifth Worst In Air History

(Continued from Page 1)

came to. I found myself lying outside the wreckage." "It was a horrible sight," said one of the rescue party, "an area of two square kilometers littered with what was left of the plane's wreckage, mutilated bodies, passenger bags, cameras and cigarette cases."

Airline officials said one of the Pakistani stewardesses who was killed had been planning to get married next week in Karachi.

Officials said the passenger list included 26 Pakistani newsmen. Only one of them survived, Aman Allah, police reporter of the Karachi Leader. The wreckage was still burning when rescuers reached the scene. The desert sands in the immediate vicinity were blackened.

Some 4,000 pounds (\$11,200) was recovered from the scene.

## Episcopal Goal Is One Million

BATTLE CREEK (AP) — The Episcopal Diocese of Western Michigan faces a new year under reshaped policy and with a \$1 million objective.

The \$1 million is the goal of a fund drive to start next fall for construction of a diocesan center at Kalamazoo.

Delegates to the 91st annual diocesan convention approved the fund drive by a 4 to 1 margin at the concluding session Wednesday.

The delegates, representing 28,000 diocesan members, also voted to join in the Michigan Council of Churches, reversing an action of a year ago. Last year the proposal was rejected.

Earlier, the convention broke with precedent in deciding to permit the seating of women on the diocese executive council and the election of women as deputies to the provincial synod. Women never before have been permitted to hold the offices. Next year's convention will choose the council personnel and the synod deputies.

The Rt. Rev. Charles E. Benison, Western Michigan bishop, who supported the proposal, said approval of the fund drive will "mean greater strength in forwarding the Christian cause."

Final convention business included elections to the diocesan standing committee, provincial synod and executive council. Both clergy and laymen were chosen.

Named to the standing committee were Rev. Charles P. James of Battle Creek, Rev. George A. Seams of Grand Rapids and Very Rev. Francis J. Foley of Traverse City and Kirk J. Deal of Fremont, James P. Reagan of Dowagiac and James Richey of Charlevoix.

Synod deputies included the very Rev. Lester B. Thomas of Grand Rapids, Rev. Verne C. Hohl of Saugatuck and Rev. Mr. James and the Very Rev. Mr. Foley and Raymond Pinder of Grand Rapids, Carleton B. Hutchins Jr. of Saugatuck, Francis Ritchie of Hastings and David M. Eckman of Battle Creek.

Named to the executive council were the Revs. Frederick P. LaCrosse of Ludington and James Holt of Kalamazoo and Gardner Lloyd of Albion and Dr. Robert Rector of Muskegon.

## Three File For Seney Board

SENEY — Two board members will be elected for three year terms at the Seney Township School election Monday, June 14. Nominating petitions have been filed by incumbents, Pearl Smith and Margie Tobin, and by Mrs. Alvin McDowell. Also to be voted on is the proposition to transport kindergarten through 6th grade pupils to Germfask public schools and 7th and 8th graders, along with high school students, to Newberry public schools.

## Briefly Told

Open trap and skeet shooting at the Delta County Sportsmen's Club range this evening will be from 6 until dark. Ammunition will be available and all gunners may shoot.

The Escanaba High School class of 1940 reunion planning meeting scheduled for tonight has been cancelled. A new date will be announced later.

Amvets Post 123 will meet at 8 tonight at the post home, 1311 N. 21st St. Delegates for the spring conference will be selected.

Lee Cooper of Cooper Office Equipment, Bay View Location, Gladstone, has completed a one-week technical training course conducted by the Hermes division of Paillard Inc., Linden, N.J., in Jackson, Mich., in the servicing of electric typewriters and printing multipliers.

A plea of not guilty was entered in Municipal Court today in the case of Clarence Vizeau, 17, of 605 S. 10th St., who is charged with contributing to the delinquency of a minor. Municipal Judge James Fitzharris said disposition in the case will be made shortly. The arrest was made by Escanaba police.

Fire damaged a shed at the rear of a lot at 208 S. 1st Ave., at 1:45 p. m., Wednesday. Cause of the fire was not determined, said Escanaba firemen. The property is owned by Mrs. R. W. Coolman.

Two persons were injured, neither seriously, in a traffic mishap at 3rd Ave. S. and 17th St., at 8:37 a. m., today. They are William O. Schmelzer, 68, of 1720 S. 6th Ave., and his passenger, Helena Paul, 609 N. 19th St. The other car was driven by Leo A. Pilot, Warren, Mich. Police ticketed Schmelzer for failing to yield the right of way.

780 - 1,000 lb slaughter heifers 25.50 - 26.00; good 21.00 - 24.50; cows 14.50 - 16.50; bulls 17.00-19.50.

# MANISTIQUE

FRED H. McIntire, vice president - sales, Michigan Consolidated Gas Co., right, and Frank Mellert, industrial representative of the company, second from left, met here to discuss possibility of bringing natural gas to Manistique next year. With them are Clyde Strasler, left, of the City Planning Commission, Frank S. Hoholik, president of Manistique Pulp & Paper Co. and L. V. Dennison, construction superintendent of Field Enterprises, Chicago. (Daily Press Photo)

## GERMFASK

### Craft Club

Mrs. Velone Hall was hostess to the East End Craft Club at her home. A Chinese auction was held for the benefit of the general fund. A smorgasbord for members and their families was planned for May 25 at 6 p. m. at the home of Mrs. Jennie Young and Mrs. Clytie Spencer. An outing for members was also planned. They will motor to Sault Ste. Marie and spend the day there June 11.

### Guild Sale

A variety and baked goods sale will be held Saturday, May 22, from 1 to 4 p. m. at the St. Theresa Church basement, sponsored by St. Theresa Guild.

### Birth

Rev. and Mrs. Thomas Pann are parents of a daughter, Rachel Marie, born April 29. She weighed 9 pounds and 1 ounce. Mrs. Pann is the former Kathleen Sanders.

Mr. and Mrs. Albert Graves have returned from Detroit to open their resort for the summer.

Mr. and Mrs. George Gish and a friend of Plymouth spent the weekend here visiting relatives and fishing.

James Hartwick of Coos Bay, Ore., is visiting at the home of his son, W. Jack Hartwick.

Mr. and Mrs. Gary Moore and family from Marquette visited at the home of his parents, Mr. and Mrs. Sherwood Moore.

The Portage Township Board held a business meeting at the Township Hall.

Mr. and Mrs. Delmer Humphrey Sr. had a medical check-up at Little Traverse Hospital at Petoskey.

Mr. and Mrs. Edmond Cooper are visiting with their daughter in Detroit.

Belinda Wright won an award for her dress at the Mackinac County 4-H Achievement exhibit.

Mrs. Clara McGahan accompanied her son-in-law and daughter, Mr. and Mrs. Fred Mayo, who spent a week here, back to their home at Cedar Springs. She also visited relatives at Kent City.

Mr. and Mrs. Karyn Tammlin of St. Ignace, visited the latter's sister, Mrs. Alfred Tuttle.

### Graduation

A class of 12 eighth graders will graduate from Portage Township School at Curtis at 8 p. m. Tuesday, May 25. Thomas Pann will be valedictorian and Denise Soder and Shelly Sherman, will be co-salutatorians. A school picnic will be held May 26 and school will close May 27.

The Hiawatha Land Youth Fellowship Group will host a banquet for teenagers which will be held at the School at Curtis May 21 at 6:30 p. m. with a social evening following, until 10:30 p. m. About 100 young people are expected to attend from Baptist Churches of Curtis, Paradise, Newberry, Munising and St. Ignace.

## Adequate Piping Improves Home

In building a new home, it is wise to talk to the plumbing contractor first about the installations he will make. One of the most important things to ask is whether the service line from the street main to the house is large enough to provide for extra water use in the future, with no drop in pressure. If not, it will cost only slightly more to install a larger service line that will supply enough water for perhaps an extra bathroom, or powder room, automatic dishwasher or washing machine later on—and all at a full-flow pressure.

Joe Norman took his sister-in-law who spent a few days here, back to her home at Alma Center, Wis.

### Grange Meeting

Germfask Grange 1886 held a business meeting at the Township Hall Saturday night. It was announced that a public cake walk will be held at 7:30 p. m. May 22 at the Township Hall. The next meeting will be held at the hall June 19 at which time officers will be elected. After the meeting lunch was served by Mr. and Mrs. Vernon Lloyd Sr.

### Confirmation

At the Sunday service at Grace Lutheran Church the following young people were confirmed: Robert Ackley, Kenneth Ketola, Gerald Latsch and Diane Wendt. Rev. Allen Parks, pastor of Grace Lutheran Church of Germfask and Trinity Lutheran Church of Newberry administered the sacrament.

### St. Theresa Activities

After 11 a. m. Mass at St. Theresa Church, the Mother's Day breakfast which had been postponed a week was served by the men of the parish. Following the breakfast the Booster Club met and Thurman Skarritt was elected president, Mike Sadler, secretary-treasurer, Fr. Neil Smith, chaplain. The next meeting will be held in June when the annual parish picnic will be planned.

Dr. and Mrs. Edward Brannan of Manistique visited at the home of Mr. and Mrs. Leo Lawrence Sunday.

Mr. and Mrs. William Berry of Stringer, Wis., are visiting relatives here.

The PTA sponsored a baked goods and book sale Saturday at Lawrence's Appliance Store.

Mr. and Mrs. Herbert Muselman visited with relatives in and near Marshall over the weekend.

Mrs. Lola Vanatta of Gulliver spent the weekend at the home of her son Lawrence.

Bonnie Provo of Manistique visited at the home of Mr. and Mrs. Warren Harris over the weekend.

Mr. and Mrs. Lewis Crall returned to their home at Hadley after visiting with Mrs. Crall's brother, Duane Streeter, and a sister, Mrs. Kenneth Lytle. They also visited Mr. Crall's parents near Newberry.

Mr. and Mrs. Lawrence Vanatta motored to Escanaba Saturday on a business trip and also celebrated their 14th wedding anniversary.

Sam Burns, David Hall, Christine McGahan, Grace Carol and Gloria Holbrook, RLDS Church Youth Group, motored to Park o Pines near Boyne City and helped other youth groups with cleaning up the church reunion grounds.

The WSCS met at the Methodist Church Annex with Mrs. Harold Gilman and Mrs. Harvey Saunders, hostesses.

Thurman Skarritt, Leonard Shay, Pat and Mike Sadler attended a steak fry at Richard Rodman's cottage on Indian Lake held by 4th Degree Knights of Columbus.

Mrs. Violet Curran and Little Claudene Brain went to Little Traverse Hospital at Petoskey for a medical checkup and are patients there.

Tyrus Washell of Milan is visiting at the home of his mother, Mrs. Glen Losey Jr.

Mr. and Mrs. LeRoy Smith have sold their home here to Mr. and Mrs. Telford Burton and have moved to Kalamazoo. Their daughter, Mrs. Noreen Hixson and children also moved to Kalamazoo.

Mr. and Mrs. Ted Ackley visited at the home of their daughter Mrs. Donald Sigle, at Green Bay.

Mr. and Mrs. Fred Papple and family of Mequon visited relatives here over the weekend. Mrs. Papple's parents, Mr. and Mrs. Glen Losey Sr., accompanied them to their home for a visit.

Joe Norman took his sister-in-law who spent a few days here, back to her home at Alma Center, Wis.

## Heritage Day Has Many Sides

A exhibition of maps, atlases and pictures of former industries, the first Manistique auto and other interesting material is being displayed at Ford garage for Michigan Week, and books on Upper Michigan by state authors is displayed in Johnson Cleaners Windows. They have been provided by the Michigan library and private local citizens.

Other historical activity will include a unit project in experimental cookery by 4th year home economics classes in Manistique High School, where mock mince pies will be made. A recipe popular in the 1890s, using rhubarb and raisins will be used.

MHS journalism students are conducting special activities, and 7th and 8th graders in parochial and public schools are writing essays on their heritage. Mrs. J. J. Herbert, Heritage Day chairman has asked that they be given to the Post historical museum as they are a record of the students' parents' and grandparents' background. Small cash prizes will be awarded the top three.

Also arranged is a radio interview with W. S. Crowe, pioneer resident and author of a new book, "Lumberjack," and broadcast of folk song music of the area.

## Gerber Receives Silver Beaver

Trooper Nalbert Gerber of the State Police became the first member of the Michigan force to receive a silver beaver award in Scouting. He received the award, signed by the president of the United States, at ceremonies at Soo Tech auditorium in Sault Ste. Marie Sunday
